accounting 9th edition continues the strong reputation established by this leading Australian text as the most comprehensive book for students studying introductory accounting in undergraduate or postgraduate programs. The full colour design provides students with a reader friendly text to enhance their understanding of concepts and make their study more enjoyable. The text builds on the thorough and reliable explanation of the accounting process through the business knowledge chapter vignettes that apply the principles to practice. Previous editions were renowned for the number of exercises and problems and the new edition builds on this superior teaching feature. The end of chapter activities are designed to encourage student confidence through the development of skills in decision making, critical thinking, ethical thinking, analysis and communication. Want to succeed in accounting? Wileyplus is a powerful online system packed with features to help you make the most of your potential and achieve the best results you can. With Wileyplus you get a complete online version of your text and other study resources, problem solving help, instant grading and feedback on activities, ability to track your progress and results during the semester. The most authoritative guide to GAAP now made even more useful. Your purchase of Wiley GAAP 2012 includes a free ePDF of the entire book. Wiley GAAP 2012 contains complete coverage of all levels of GAAP, indexed to the ASC. Wiley GAAP renders GAAP more understandable and accessible for research and has been designed to reduce the amount of time and effort needed to solve accounting research issues, providing interpretive guidance and a wealth of real world content, rich examples and illustrations. This invaluable guide offers clear, user friendly guidance on every pronouncement.
