Ways of Reading 2007-01-24 a history of the uk s regional inequalities and why they matter differences between england s north and south continue to shape national politics from attitudes to brexit and the electoral collapse of labour s red wall to whitehall s experimentation with regional pandemic lockdowns why is this fault line such a persistent feature of the english landscape the northern question is a history of england seen in the unfamiliar light of a northern perspective while london is the capital and the centre for trade and finance the proclaimed leader of the nation northern england has always seemed like a different country in the nineteenth century its industrializing society appeared set to bring a political revolution down upon westminster and the city tom hazeldine recounts how subsequent governments put finance before manufacturing london ahead of the regions and austerity before reconstruction

MEMORIALS OF A YORKSHIRE PARISH 2019 the bestselling author of promised land and does your rabbi know you re here sets his focus to yorkshire and its endangered status as a sporting powerhouse if you want to know how it feels to be left behind if you want to know how it feels to be forgotten if you want to know how it feels to be heartbroken then read this book david peace for the past 30 years something has been missing from british sport for some it has lost its heart and soul anthony clavane argues that it has lost its yorkshireness which possibly amounts to the same thing a yorkshire tragedy is the final part of anthony clavane s triptych that examines belonging identity and the rise and fall of tightly knit sporting communities through the prism of the author s own personal experience loved a yorkshire tragedy then check out does your rabbi know you re here anthony clavane s highly acclaimed history of jewish involvement in english football

Recollections of a Yorkshire Village 1910 bruce wilson s diary is an honest and action packed account of what life was like for five young men on picket duty during the longest and most bitter industrial dispute in modern times the 1984 85 miners strike bruce and younger brother bob along with mates shaun darren and captain bob crammed themselves into an old car or battlebus and despite police barriers and

blockades journeyed into nottinghamshire derbyshire and elsewhere in order to express their views and support their union in a country which they thought was free we are able to experience at first hand and day by day events which were often frightening occasionally humorous but never dull and also gain insight into major conflicts at orgreave brodsworth rossington and maltby as well as at locations further afield towards the end of the strike our flying pickets found themselves on home ground demonstrating at silverwood and nearby collieries including cortonwood where many observers consider the great strike began any former striking miner will find the book compulsive reading and despite the passage of twenty years the journey will seem like yesterday but there is a great deal for us all to appreciate from this remarkably frank and moving testimony
