change and will learn that lasting change is possible the tools needed for an enduring commitment to a new lifestyle how to defeat obstacles and stay on course as you lead group members through this inspiring practical and hope filled series you ll experience the true rewards of helping people grow in spirit mind and body and hopefully find yourself farther down the road to your own personal fulfillment since the first printing of pathways to recovery people immediately worked to start groups with little guidance on how to do it some were held in formal settings while others were conducted with just two or three people in someone s living room in most participants found themselves completing the exercises discussing the quotations or even arguing about whether certain topics should be included in one chapter or another with so many formats emerging determining how to create a facilitator s guide was quite a challenge the current guide is designed to be easy to navigate and use even for first time group facilitators modules include the following an overview and goals for the topic recommended readings materials and handouts specific tips for facilitators and notes to guide each session detailed agendas with suggested activities the guide gives group leaders all the information needed to facilitate a pathways to recovery group including tips on how to adapt the sessions to meet specific needs while some groups have taken over a year to cover all the material in the workbook still others have found it possible to cover one chapter a week in whatever way you decide to conduct

group the material found in this guide will be helpful to you the demand for training often exceeds the available resources that s when organizations turn to their subject matter experts these employees often have no training experience but they have valuable information to share with their co workers the train the trainer workshop is the helping hand that no new trainer can do without the facilitator s guide gives you the tips tools checklists and guidelines you need to conduct an effective interactive train the trainer program you ll teach new trainers how to conduct a needs assessment identify their training style design their instructional plan use active training techniques deliver their training evaluate their training and much more demonstrate how teachers can cultivate a classroom culture of inquiry design investigations or translate existing activities into inquiry based learning experiences and integrate inquiry with curricular objectives complete resource guide for facilitators in preparation for small groups and for reference when questions may arise the guide contains a cd of all necessary paperwork in electronic form to successfully prepare for and run a small support group the guide is a complement to the book and workbook this practical comprehensive guide to designing and running more effective meetings will result in less time wasted more collaborative decision making and measurably improved business outcomes there s nothing more frustrating than an unproductive meeting except when it leads to another unproductive meeting every day millions of people conduct

person or online without the critical understanding or formal training on how to plan and lead them effectively this book offers a structured method to ensure that meetings will produce clear and actionable results meetings that are profitable and productive ultimately lead to fewer meetings this book offers leaders a significant edge by empowering readers to help their groups create innovate and break through the barriers of miscommunication politics and intolerance making it easier for them to help others forge consensus and shared understanding providing them with proven agenda steps tools and detailed procedures readers will learn how to resolve or manage common problems inspire creativity and transfer ownership to their meeting participants while managing interpersonal conflicts and other disruptions that arise in a world of back to back meetings this book explains the how to details behind game changing tools and techniques the facilitator s guide for the journey study series offers suggestions for leading participants through the lessons with suggested questions to stimulate discussion each chapter includes thought provoking commentary scriptures and insights to help you on life s journey covers all the titles in the journey study series searching for hope 1 4185 1659 7 living as a christian 1 4185 1766 6 leaving a legacy 1 4185 1469 0 dealing with doubt 1 4185 1771 2 confronting the enemies within 1 4185 1772 0 telling the good news 1 4185 1773 9 building a christ centered home 1 4185 1768 2 learning to pray 1 4185 1767 4 planning for the next by durjoy datta online free at

peer workshop facilitator guide to be used with the participant resource this new guide helps clarify the knowledge attitudes practices and skills used by exemplary online professional development facilitators those who maintain focus on the learners and assess their current and future needs to match the curve of their learning the approach offers research based practical strategies applicable to a number of online situations and settings in the facilitator s guide for the exciting new video series sheri rose shepherd uses humor heartwarming stories and god s word to teach emotional physical relational and spiritual excellence in just seven weekly sessions participants discover how to get out of the mindset of mediocrity and enter into spirit of excellence the seven ways series is fun motivating inspiring and easy to apply to everyday life are you ready to show your participants how to bring out the best in their colleagues customers direct reports and bosses then the peoplesmart workshop is for you the workshop empowers leaders associates or intact teams to be curious not furious when faced with a challenging colleague get information and ideas across so they are understood promote ideas that are accepted rather than resisted think we rather than me in team situations the facilitator s guide includes robust instructions for conducting a workshop as well as a sample participant workbook and people quotient scale also included is a valuable cd rom with a powerpoint presentation and video cases each component is designed to encourage participation increase retention and promotion immediate by durjoy datta online free at

application the peoplesmart program can be conducted in twelve hours and contains ten modules eight of which focus on a core interpersonal skill the program features active training techniques which minimize lecturing and maximize learning activities much of the program is based on examining and practicing skills applicable to actual work experiences use peoplesmart to supplement an existing skills training programs or as a foundation of an entirely new program a companion volume to diversity in the classroom this guide presents 13 cases designed to help individuals and groups reflect on teaching specifically it offers the information needed to use these cases in structured professional development experiences now you can learn the art of drum circle facilitation from master percussionist educator and award winning drum circle facilitator kalani his drum circle music approach makes it easy to effectively create and facilitate programs for music education health wellness personal professional development and recreation help people from all walks of life reach their full potential develop valuable life skills and embrace the joys of music as we all come together in rhythm success is personal many people do not adequately plan for success or prepare for the seemingly endless journey it takes to get there in this program a facilitator provides participants with an interactive look at the six steps for developing a personal success strategic plan pssp 1 determine your destination 2 identify your purpose 3 set goals 4 develop strategies 5 take action 6 evaluate progress

the core concepts of these steps help participants to derive a clear path for the journey ahead the program is based upon the book mapping your journey to success six strategies for personal planning by sharon a myers and mark w wiggins if you need to know what comes after the teambuilding activity this book is for you thrive on challenge some professionals feeling overburdened by challenging job tasks struggle through projects and avoid additional responsibilities that might prove enriching they often find their careers unsatisfying and their job performance may suffer as a result this field tested profile shows employees how to seek challenge and to develop valuable skills from their professional lives professionals will use their feedback from the jcp to assist them in handling unfamiliar tasks driving workplace transformation seeking additional responsibilities dealing with external pressure managing group diversity and much more the facilitator s guide which includes a sample copy of the participant s workbook details the essential workshop procedures including setup administration and follow up and provides you with reproducible overhead and handout masters you don t need to be a training professional to use this tool in your organization this guide gives you all the basics your participants will quickly be able to score and interpret the inventory using the practical participant s workbook with the aid of this action guide they will determine what and how much they are learning what parts of their jobs hold key challenges and what strategies they might adopt to derive maximal learning from these

experiences every participant will need a copy use the world renowned expertise of ccl to create a learning environment where challenge is welcome helps participants gauge the challenges in their jobs turn challenges into prime learning experience timing 2 to 4 hours audience managers leaders and executives at all levels the facilitator s guide details the essential workshop procedures including setup administration and follow up and provides you with debrief presentation slides you don t need to be a training professional to use this tool in your organization your participants will be able to quickly score and interpret the inventory using the practical participant workbook with the aid of this action guide they will determine what and how much they are learning what parts of their jobs hold key challenges and what strategies they might adopt to derive maximal learning from these experiences this collection of duck activities has a strong fun element however we do not want it to sound like it is all just fun there is in fact a wealth of solid theory that forms the basis of why we developed this stream of uses for six bricks in business and learning environments the idea of using playful methods for a range of purposes to generate innovative thinking is not new for centuries people have used artifacts like totems and puppets to tell stories and share information beliefs and knowledge we also know that many facilitators and trainers are using tools such as design thinking and agile methodologies where prototyping and games play an important role in the processes of thinking and creating

your goal using 3d models is a great facilitation tool it allows you to lead people through a process where they are able to examine their inside world and relate these lessons to their work environment these insights then lead to opportunities for further exploration and discovery and ultimately more productive and effective communication
