three hour five minute ap u s history exam is usually given to high school students who have completed a year s study in a college level u s history course the test results are then used to determine the awarding of course credit and or advanced course placement in college according to the college board students taking this exam are called upon to demonstrate systematic factual knowledge and bring to bear critical persuasive analysis of the full sweep of u s history this is why we make every effort to establish and build upon context for you rather than encouraging rote memorization of disconnected facts the ap u s history exam is divided into two sections 1 multiple choice this section is composed of 80 multiple choice questions designed to gauge your ability to understand and analyze u s history from the colonial period to the present the majority of the questions however are based on 19th and 20th century history this section tests factual knowledge scope of preparation and knowledge based analytical skills you ll have 55 minutes to complete this section which accounts for 50 percent of your final grade 2 free response this section is composed of three essay questions designed to measure your ability to write coherent intelligent well organized essays on historical topics the essays require you to demonstrate mastery of historical interpretation and the ability to express views and knowledge in writing the essays may relate documents to different areas analyze common themes of different time periods or compare individual and group experiences which reflect socioeconomic racial gender and ethnic differences part a consists of a mandatory 15 minute reading period followed by 45 minutes during which you must answer a document based question dbq which changes from year to year in part b the student chooses to answer on two of the topics that are given you will have 70 minutes to write these essays the free response section counts for 50 percent of your final grade these topics are broken down into thirds political institutions 1 3rd social and economic change 1 3rd behavior and public policy diplomacy and international relations corner about the test the advanced placement program is designed to allow high school students to pursue college level studies while attending high school the three hour five minute ap u s history exam is usually given to high school students who have completed a year s study in a college level u s history course the test results are then used to determine the awarding of course credit and or advanced course placement in college according to the college board students taking this exam are called upon to demonstrate systematic factual knowledge and bring to bear critical persuasive analysis of the full sweep of u s history this is why we make every effort to establish and build upon context for you rather than encouraging rote memorization of disconnected facts the ap u s history exam is divided into two sections 1 multiple choice this section is composed of 80 multiple choice questions designed to gauge your ability to understand and analyze u s history from the colonial period to the present the majority of the questions however are based on 19th and 20th century history this section tests factual knowledge scope of preparation and knowledge based analytical skills you ll have 55 minutes to complete this section which accounts for 50 percent of your final grade 2 free response this section is composed of three essay questions designed to measure your ability to write coherent intelligent well organized essays on historical topics the essays require you to demonstrate mastery of historical interpretation and the ability to express views and knowledge in writing the essays may relate documents to different areas analyze common themes of different time periods or compare individual and group experiences which reflect socioeconomic racial gender and ethnic differences part a consists of a mandatory 15 minute reading period followed by 45 minutes during which you must answer a document based question dbq which changes from year to year in part b the student chooses to answer on two of the topics that are given you will have 70 minutes to write these essays the free response section counts for 50 percent of your final grade these topics are broken down into thirds political institutions 1 3rd social and economic change 1 3rd behavior and public policy diplomacy and international relations intellectual and cultural development 1 3rd the time periods covered are as follows pre colonial through 1789 1 6th of exam 1790 1914 1 2 of exam 1915 present 1 3rd of exam about the review section this book begins with rea s concise yet thorough 230 scoring the exam the multiple choice section of the exam is scored by crediting each correct answer with one point and deducting one fourth of a point for each incorrect answer you will neither receive a credit nor suffer a deduction for unanswered questions the free response essays are graded by instructors and professors from across the country who come together each june for a week of non stop ap essay grading each essay booklet is read and scored by several graders each grader provides a score for the individual essays the dbq is scored on a scale from 0 to 15 0 being the lowest and 15 the highest each topic based essay receives a score from 0 to 9 these scores are concealed so that each grader is unaware of the previous graders assessments when the essays have been graded completely the scores are averaged one score for each essay so that the free response section generates three scores the total weight of the free response section is 50 percent of the total score your work in the multiple choice section counts for the other 50 percent each year grades fluctuate slightly because the grading scale is adjusted to take into account the performance of the total ap u s history test taker population when used with the corresponding chart the scoring method we present here will strongly approximate the score you would receive if you were sitting for the actual ap u s history exam

scoring the free response section for the free response section use this formula to calculate your raw score dbq essay 1 essay 2 raw score round to the nearest whole number you may want to give your essays three different grades such as a 13 10 and an 8 and then calculate your score three ways as if you did well average and poorly this will give you a safe estimate of how you will do on the actual exam try to be objective about grading your own essays if possible have a friend teacher or parent grade them for you make sure your essays follow all of the ap requirements before you assess the score the statistical formulations used by the ap program preclude our rea practice test scoring system from precisely replicating the procedures and determinations of the ap program bear in mind that the cut off point between each of the five ap grades typically shifts slightly from year to year this occurs both because one year s exam cannot be expected to be exactly as difficult as another year s and because no two test taker groups can be expected to be equally strong the composite score to obtain your composite score use this method $1.13 \times \text{multiple choice raw score weighted multiple choice score do not round} + 2.73 \times \text{free response raw score weighted free response score do not round}$ now add the two weighted sections together and round to the nearest whole number the result is your total composite score see the range within which your score falls on this table to approximate your final grade ap grade composite score range 5 114 1804 91 1133 74 902 49 731 0 48 these overall scores are interpreted as follows 5 extremely well qualified 4 well qualified 3 qualified 2 possibly qualified and 1 no recommendation most colleges grant students who earn a 3 or better either college credit or advanced placement check with your high school s guidance office about specific requirements contacting the ap program prospective examinees should download from the college entrance examination board s website or request by phone the free bulletin offering a general description of the ap program including policies and procedures as well as instructions on how to register for the ap examination in united states history here s how to contact the college board advanced placement program dept e 22p o box 6670 princeton nj 08541 6670 phone 609 771 7300 website collegeboard com ap
