this second book of the real magic series continues to explore the ancient hermetic teachings as a mental art the art of using consciousness itself as the tool for creating changes in consciousness what does the hermetic axiom as above so below really mean the relationship between macrocosm above and microcosm below is the key to the hermetic teachings macrocosm refers to the eternal reality of light the realm of god microcosm is its reflection a fragmentation of light the world of human existence and human ego the core of the hermetic teachings for centuries has been focused on transforming the fragmented body of light in human consciousness and uniting below with above personal passenger safety in railway stations oral and written evidence oral evidence taken on wednesday 19 april 2006 every day customers see the results of companies where fiefdoms have formed and silos create divisional or departmental strife poor sales and profits and lackluster products it s not hard to see that such companies are headed for an early grave regardless of the manner in which company fractures manifest themselves tech leaders must find a way to rid their workplaces of the divisions that threaten to undermine their company s productivity profits and survival that s why in unite the tribes leadership skills for technology managers christopher duncan bestselling author of the career programmer provides corporate leaders with a ten point plan for joining their company s divided ranks together in a way that helps employees achieve their goals while also accomplishing those of the company using the metaphors of the company as empire and the groups that form within companies as tribes duncan explains that the formation of tribes within an empire is unavoidable after all regardless of the situation in which they find themselves human beings are social creatures who align themselves with those whose goals and motivations match their own that s why the accountants hang together in the break room while developers talk shop and geek culture in a watering hole down the street yet the job of leaders is to build a cohesive powerful and enduring empire by bringing all groups together in service to a shared inspiring mission and that goes double for tech companies where breakthroughs create new landscapes on a daily basis in unite the tribes you will learn how to build alliances and a spirit of unity across all levels of the company to achieve higher employee morale greater profits and increased productivity how to come up with strategies that win market share as well as the hearts and minds of your employees how to manage conflict why self interest rules the day and how knowing another s wants and needs helps you achieve goals of your own unite the tribes will show you the visionary leader how to establish an empire by convincing your tribes of a simple but crucial truth alone you are weak and vulnerable united you are invincible what you ll learn readers of unite the tribes will learn practical down to earth approaches to problem solving and productivity that make sense to corporate leaders who have to do real work in the real world how to arrive at a plan for uniting the disparate groups that operate within their company when faced with the daily reality of office politics maneuvering ambition incompetence and short term thinking how to convey the company s purpose to employees in a way that is realistic and meaningful so that all workers can contribute to the company s greater good who this book is for those serving in leadership or managerial capacities i e those overseeing one or more employees at technology companies plagued with division and dysfunction will find the solutions they need to rally their employees to join forces in unite the tribes in addition leaders and managers of companies whose cohesion is still healthy yet is being threatened with fracture will be provided with real world strategies for reinforcing the glue that holds their company together in this practical applications driven guide table of contents the myth of absolute power building the future a lasting empire vision leadership organization mobility competitiveness persuasion strategy brilliance morale unite the life of an activist is a non fiction narrative that describes key steps on how to become and evolve into an effective activist and community leader the book describes social movements and provides useful advice on how to successfully manage non profits to accomplish positive social change that truly improves people s lives the author is a lifelong activist who was born in the united states but was deported to el salvador as a baby he spent his childhood in el salvador but moved back to the united states and grew up in south central los angeles during the tumultuous and violent decades of the late 1970s and 1980s he has also lived and worked in rochester minnesota madrid spain washington d c and alexandria virginia in
