day at school in english and in other subjects each chapter looks at a different type of writing some are imaginative text types such as narratives and poems whereas others are factual text types such as reports and explanations it is best to work through the book from chapter 1 to the end because in this way you will build on skills from one chapter to the next the excel series of english workbooks for years 3 6 will help primary school students with the reading and writing they do every day at school in english and in other subjects each chapter is set out as a separate unit of work covering a different type of writing text type and contains exercises that relate to that particular text type in this book you will find eleven chapters each set out as a unit of work covering a particular text type such as narratives letters speeches and information reports including a chapter on writing for school projects exercises and activities in each chapter which are directly linked to the text type covered practice in skills such as spelling grammar vocabulary punctuation and comprehension interesting and relevant sample texts including many written by year 6 students with important features highlighted answers to all questions at the back of the book this new edition of nelson english provides an integrated approach to teaching the core literacy skills at primary level comprehension writing grammar punctuation spelling and vocabulary the write in workbooks allow children to consolidate skills through a range of differentiated activities suitable for use at home or in the classroom conquer comprehension workbook 6 is designed for students to practise and work on answering the different types of comprehension questions found in the multiple choice and open ended formats the passages are carefully graded into three levels basic intermediate advanced the main objective of the basic level is to lay the foundation to build up a student's confidence in tackling comprehension in the intermediate level the passages encourage higher level thinking and understanding the advanced level challenges a student to think beyond the ideas presented in the passages the wide variety of themes and genres also serve to widen a student's exposure to the different text types which are currently taught in schools the different questioning techniques aim to develop a student's comprehension and inference skills thinking questions are incorporated to allow a student to exercise his opinions and make his conclusions a glossary is included after every exercise to help students comprehend the passage better it also increases a student's vocabulary and will aid in other writing reading and comprehension exercises these varied and useful exercises should give a student greater confidence when doing comprehension tests skylark is a multi skill based series of coursebooks and workbooks for classes 1 8 it caters to the needs of the learners and the facilitators of the english language through its approach teaching language through literature through their simple lucid and visually appealing presentation of content the books make language acquisition effortless seamless and engrossing for the learners strong reading skills are the basis of school success and spectrum reading for grade 6 will help children triumph over language arts and beyond this standards based workbook uses engaging text to support understanding key ideas details story structure and knowledge integration spectrum reading will help your child improve their reading habits and
