presented in this volume are the remains of twenty two homilies and a collection of fragments delivered by origen around a d 240 the original texts of the homilies on jeremiah have not come down to us completely two of the homilies survive only in a latin translation of st jerome the homily on i kings 28 while not a part of the homilies on jeremiah deals with the witch of endor and has been added to this volume in virtue of its own inherent interest keine ausführliche beschreibung für papers presented to the third international conference on patristic studies held at christ church oxford 1959 verfügbar the commentary on matthew is one of origen s works we can partially read in greek language nonetheless this greek text doesn t reproduce origen s work in its original form but in a later abridgement the shortened nature of the greek text is demonstrated thanks to a close comparison with fragments from exegetical catenae cap 1 and with an anonymous latin translation cap 2 particular attention is devoted to a 5th century palimpsest fragments of the unabridged commentary cap 4 the previous editor of the commentary tried to restore the original form greek text by mean of large number of conjectures mainly based on the latin translation his results weren t anyway satisfactory in this volume the autonomy of the greek abridgement is reestablished a sample of this enterprise is offered in the new critical edition of books 12 and 13 this volume offers a comprehensive study of the manuscript tradition of the commentary on matthew cap 5 and takes into consideration the general process of reduction undergone by origen s sometimes verbose production with the exception of one other homily origen s homilies on the book of jeremiah are his only sermons that have been handed down to us in the original greek and they impart an impression of the original style of the preacher origen moreover the book of jeremiah was an infrequent subject of commentary for the ancient church origen identified his own experiences as a preacher with the fate of the prophet jeremiah who was rejected by his audience and in this way origen made a highly personal connection to this biblical text i saggi presentati in questa raccolta si strutturano in un duplice contesto esegetico letterario e storico teologico nell affrontare un autore complesso e articolato come origine infatti non si può prescindere da un approccio metodologico in cui l indagine filologico letteraria lo studio delle strutture e delle forme dei testi del rapporto tra originale greco e traduzione latina del metodo esegetico e del lessico usato costituisca il presupposto per una ricostruzione storica del pensiero e della dottrina dell alessandrino l articolazione del volume in tre sezioni mira a sottolineare la poliedrica fisionomia culturale dell autore nella piena consapevolezza che non è possibile né metodologicamente giustificato distinguere nettamente l esegeta e l omileta dal maestro il filologo dal teologo e dal mistico la sete di conoscenza origeniana lungi dal configurarsi come sterile intellettualismo è espressione del desiderio di unione con dio di immersione dell intelligenza nel profondo del mistero e di comunicazione ecclesiale delle salvifiche verità rivelate emerge dunque il ritratto di un autore rigoroso e coerente pur nel modello zetetico della sua teologia sempre nuovo per profondità e attualità di pensiero decisivo per l intera storia del cristianesimo the editio princeps of codex monacensis graecus 314 the collection of origen s homilies on the psalms was discovered by marina molin pradel in april 2012 the munich manuscript is the major text discovery on origen seventy years after the find of the tura papyri in 1941 the 29 homilies provide the original greek text of four homilies on psalm 36 translated by rufinus into latin at the beginning of the fifth century together with twenty five new sermons only parts of them were known through tiny excerpts preserved in the exegetical anthologies of the catenae the list of the sermons essentially corresponds to the catalogue of origen s homilies on the psalms in jerome s letter 33 it includes two homilies on ps 15 four on ps 36 two on ps 67 three on ps 73 one on ps 74 one on ps 75 four on ps 76 nine on ps 77 two on ps 80 and one on ps 81 beyond recovering for us origen as the great interpreter of the psalms the sermons throw new light on his life and thought and provide insights into the situation of the church in the third century ce the critical text has been edited by lorenzo perrone in cooperation with marina molin pradel emanuela prinziavalli and antonio cacciari

**Omèlie su Geremia** 1995 presented in this volume are the remains of twenty two homilies and a collection of fragments delivered by origen around a d 240 the original texts of the homilies on jeremiah have not come down to us completely two of the homilies survive only in a latin translation of st jerome the homily on i kings 28 while not a part of the homilies on jeremiah deals with the witch of endor and has been added to this volume in virtue of its own inherent interest

*Omèlie su Geremia* 2001 keine ausführliche beschreibung für papers presented to the third international conference on patristic studies held at christ church oxford 1959 verfügbar

Omèlie su Ezechiele 1997 the commentary on matthew is one of origen s works we can partially read in greek language nonetheless this greek text doesn t reproduce origen s work in its original form but in a later abridgement the shortened nature of the greek text is demonstrated thanks to a close comparison with fragments from exegetical catenae cap 1 and with an anonymous latin translation cap 2 particular attention is devoted to a 5th century palimpsest fragments of the unabridged commentary cap 4 the previous editor of the commentary tried to restore the original form greek text by mean of large number of conjectures mainly based on the latin translation his results weren t anyway satisfactory in this volume the autonomy of the greek abridgement is reestablished a sample of this enterprise is offered in the new critical edition of books 12 and 13 this volume offers a comprehensive study of the manuscript tradition of the commentary on matthew cap 5 and takes into consideration the general process of reduction undergone by origen s sometimes verbose production

Il libro di Geremia 1995 with the exception of one other homily origen s homilies on the book of jeremiah are his only sermons that have been handed down to us in the original greek and they impart an impression of the original style of the preacher origen moreover the book of jeremiah was an infrequent subject of commentary for the ancient church origen identified his own experiences as a preacher with the fate of the prophet jeremiah who was rejected by his audience and in this way origen made a highly personal connection to this biblical text

**74 omèlie sul libro dei Salmi** 1993 i saggi presentati in questa raccolta si strutturano in un duplice contesto esegetico letterario e storico teologico nell affrontare un autore complesso e articolato come origene infatti non si può prescindere da un approccio metodologico in cui l indagine filologico letteraria lo studio delle strutture e delle forme dei testi del rapporto tra originale greco e traduzione latina del metodo esegetico e del lessico usato costituisca il presupposto per una ricostruzione storica del pensiero e della dottrina dell alessandrino l articolazione del volume in tre sezioni mira a sottolineare la poliedrica fisionomia culturale dell autore nella piena consapevolezza che non è possibile né metodologicamente giustificato distinguere nettamente l esegeta e l omileta dal maestro il filologo dal teologo e dal mistico la sete di conoscenza origeniana lungi dal configurarsi come sterile intellettualismo è espressione del desiderio di unione con dio di immersione dell intelligenza nel profondo del mistero e di comunicazione ecclesiale delle salvifiche verità rivelate emerge dunque il ritratto di un autore rigoroso e coerente pur nel modello zetetico della sua teologia sempre nuovo per profondità e attualità di pensiero decisivo per l intera storia del cristianesimo

Omèlie su Ezechiele 1996 the editio princeps of codex monacensis graecus 314 the collection of origen s homilies on the psalms was discovered by marina molin pradel in april 2012 the munich manuscript is the major text discovery on origen seventy years after the find of the tura papyri in 1941 the 29 homilies provide the original greek text of four homilies on psalm 36 translated by rufinus into latin at the beginning of the fifth century together with twenty five new sermons only parts of them were known through tiny excerpts preserved in the exegetical anthologies of the catenae the list of the sermons essentially corresponds to the catalogue of origen s homilies on the psalms in jerome s letter 33 it includes two homilies on ps 15 four on ps 36 two on ps 67 three on ps 73 one on ps 74 one on ps 75 four on ps 76 nine on ps 77 two on ps 80 and one on ps 81 beyond recovering for us origen as the great interpreter of the psalms the sermons throw new light on his life and thought and provide insights into the situation of the church in the third century ce the critical text has been edited by lorenzo perrone in cooperation with marina molin pradel emanuela prinziavalli and antonio cacciari
