Palestine and the Arab-Israeli Conflict Charles D. Smith, 2016-11-04 The gold standard of texts on the history of the Arab-Israeli conflict Palestine and the Arab-Israeli Conflict provides a comprehensive, balanced, and accessible narrative of a complex historical topic. The ninth edition explores the relationships among peoples and events and guides students through the often complex web of circumstances, parties, and personalities that constitute the story of Palestinian-Israeli relations. The narrative is supported by more than 40 primary documents that highlight perspectives from all sides of the struggle. Throughout the book, the author examines how underlying issues, group motives, religious and cross-cultural clashes, diplomacy and imperialism, and the arrival of the modern era shaped this volatile region.
