despite a decreasing popularity throughout his career
anthony trollope 1815 1882 has become one of the most

social and gender issues of his day have placed him
among such nineteenth century literary icons as jane
austen charles dickens and george eliot trollope penned
47 novels in his career in addition to various short
stories travel books and biographies a newfound
interest in politics led to the publication of the

sometimes called trollope s parliamentary novels this
novel tells of the successes troubles and eventual
failure of what the author calls the completed picture
of a statesman who should have rank and intellect and
parliamentary habits by which to bind him to the
service of his country he should also have unblemished
unextinguishable inexhaustible love of country from
trollope s autobiography
