Ravenwood Mysteries

2021-07-07

Atticus Riot isn't your average Victorian detective but then neither is his new partner. Murder, mayhem, and a dash of romance in this binge-worthy mystery series. Atticus Riot wants to leave his tortured past behind, but his partner's murder haunts his every step. Before he can find peace, the gunfighter-turned-detective needs to find the killer. But then a missing heiress draws him into a conspiracy of lies. A young woman's life is at stake, so why won't her rich older husband tell the whole truth about her disappearance? The clock is ticking, and Riot must unravel a twisted trail before an innocent life is lost. But deceit runs deeper than he imagined, and he's soon thrown into the path of a fiercely independent woman who's his match in every way. A suspenseful Victorian mystery with a strong female lead and a romantic detective duo in San Francisco's lawless Barbary Coast. Fans of Laurie R. King, Deanna Raybourn, and C. S. Harris will love this thrilling historical mystery series. What Amazon reviewers are saying: It's been a while since I've been addicted to a series. I highly recommend this book to mystery lovers. A story reminiscent of Sherlock Holmes meeting Nick and Nora Charles. A must-read. Couldn't put this down.

Ravenwood Stepson of Mystery

2013-08

Ravenwood returns easily one of the most little-known pulp heroes. Was Ravenwood the Stepson of Mystery in all he appeared in only five stories. These are back-up tales in issues of Secret Agent X several years ago. Airship 27 Productions released its first volume in this series, bringing back this unique occult detective whose different-colored eyes are always changing along with his Tibetan teacher-mentor, the nameless one, and his loyal British butler, Stirling. Now get ready for another quartet of brand-new tales of suspense and action as the Stepson of Mystery once again sets out to solve bizarre mysteries. The police are helpless to unravel. Follow along as he confronts an amazing killer robot, teams up with the Black Bat to fight an alien horror, and investigates ritualistic murders having no rhyme or reason. New pulp writers Janet Harriet, Aaron Smith, Jonathan Fisher, and Gene Moyers pull out all the stops, delivering four original, fast-paced adventures that skirt

the outer edges of fear and madness this is one pulp book best read with the lights on

Beautiful Creatures: The Complete Series (Books 1, 2, 3, 4)

Steven Spielberg is an American filmmaker and producer widely recognized as one of the most influential directors in the history of cinema. Born on December 18, 1946, in Cincinnati, Ohio, Spielberg developed an early interest in filmmaking and began making amateur movies as a child. He attended California State University and later transferred to the University of Southern California's School of Cinematic Arts, where he directed his first short film, *Amblin*, which earned him critical acclaim. Spielberg's breakthrough as a filmmaker came in 1975 with the release of the film *Jaws*, which became one of the most successful and revolutionary films of all time. Over the course of his career, Spielberg has directed numerous blockbuster hits, including *Close Encounters of the Third Kind*, *E.T. the Extra-Terrestrial*, *Raiders of the Lost Ark*, *Jurassic Park*, and *Saving Private Ryan*. Spielberg's work has earned him numerous accolades, including three Academy Awards for Best Director, and his films have grossed more than 10 billion worldwide, making him one of the highest-grossing directors of all time. In addition to his filmmaking career, Spielberg has also been involved in philanthropic work, including his establishment of the Shoah Foundation in 1994, which is dedicated to preserving the testimonies of Holocaust survivors via recorded interviews. His work has had a profound impact on the film industry and popular culture, with his films often exploring themes of humanity, identity, and social issues. As one of the most renowned and respected filmmakers of all time, Steven Spielberg's work continues to captivate and inspire audiences around the world.
