member of the special forces patrol now famously known by its call sign bravo two zero he and seven others were inserted hundreds of kilometres behind enemy lines their mission was to reconnoitre targets undertake surveillance of scud missile sites and sabotage iraqi communications links but was to end in desperate failure from the outset the patrol was dogged by problems that contributed both directly and indirectly to the demise of the mission the patrol s compromise and subsequent attempts to evade iraqi troops resulted in four members of bravo two zero being captured and a further three killed one escaped but the story goes further than the gulf war itself despite numerous books films and articles on the same subject the british government has done its utmost to thwart the release of soldier five at one stage claiming the book in its entirety was confidential a campaign of harassment that took some four and a half years of litigation to resolve has now resulted in this explosive publication soldier five is a gripping and suspenseful account of one man s experiences as a special forces soldier revealing his conflicts loyalties and relationships forged it is the resolution of a soldier s determined fight to see his story told 2001 11 9 11 cia 9 11 soldier five challenges many of the assumptions and assertions of bravo two zero mike coburn the soldier left for dead on the syrian border sets the record straight about that famous mission 1991 1 22 sas sas il minuto peggiore è quello che precede i primi spari si può solo ascoltare e pensare quanti mezzi arriveranno ti piomberanno direttamente addosso o ti punteranno contro i mitragliatori scaricandoli a pioggia lo sferragliare dei cingoli e il rombo dei motori a pieni giri sembravano avvilupparci non sapevamo ancora dove fossero iraq gennaio 1991 durante la guerra del golfo una pattuglia composta da otto uomini dello special air service noto come il reggimento l unità d assalto più temuta al mondo

viene trasportata dall'Arabia Saudita a bordo di un elicottero e lasciata in pieno deserto dietro le linee irachene il suo nome in codice bravo two zero la sua missione tagliare le linee telefoniche di collegamento tra Baghdad e la zona nord occidentale dell'Iraq ma soprattutto distruggere le rampe di lancio mobili degli scud di Saddam Hussein incomincia così l'avventura di otto soldati professionisti addestrati a combattere su qualunque terreno e con qualsiasi arma che si ritrovano soli in un ambiente ostile da tutti i punti di vista e con un equipaggiamento di 95 chili a testa un'avventura che sembra chiudersi quasi subito e nel peggiore dei modi quando la pattuglia viene scoperta ma che invece è soltanto all'inizio infatti gli uomini prima fuggono verso il confine con la Siria distante oltre cento chilometri e invece in due giorni e due notti braccati sempre più da vicino ne percorreranno più di duecento poi addirittura si divideranno andando incontro a un destino che si prospetta tanto incerto quanto agghiacciante cronaca fedele di un fatto d'armi tra i più drammatici della storia recente pattuglia bravo two zero descrive minuto per minuto con la forza e la semplicità del vero senza retorica e senza finzioni le emozioni le paure i desideri le nostalgie e le inimmaginabili sofferenze di un pugno di audaci che vicino alle rive dell'Eufrate in un luogo come pochi altri carico di storia hanno scritto una pagina anch'essa degna di essere ricordata e in cui ancora una volta si dimostra come la guerra sappia esaltare come forse nessun altro momento della vita la grandezza e la miseria dell'uomo belevnissen van een britse commando die tijdens de Golfoorlog van 1991 achter de vijandelijke Iraakse linies werd ingezet voor sabotage acties en in krijgsgevangenschap raakte the Sunday Times no 1 bestseller they were branded as cowards and accused of being the British special forces squadron that ran away from the Iraqis but nothing could be further from the truth ten years on the story of these sixty men can finally be told in March 2003 m squadron an SBS unit with SAS embeds was sent 100 kilometres behind enemy lines on a true mission impossible to take the surrender of the 100 000 strong Iraqi Army 5th Corps from the very start their tasking earned the nickname operation no return caught in a ferocious ambush by thousands of die-hard fanatics from Saddam Hussein's Fedayeen plus the awesome firepower of the 5th Corps heavy armour and with eight of their vehicles bogged in Iraqi swamps m squadron launched a desperate bid to escape inflicting massive damage on their enemies running low on fuel and ammunition

outnumbered outmanoeuvred and outgunned the elite operators destroyed sensitive kit and prepared for death or capture as the iraqis closed their deadly trap zero six bravo recounts in vivid and compelling detail the most desperate battle fought by british and allied special forces trapped behind enemy lines since world war two it is a classic account of elite soldiering that ranks with bravo two zero and the very greatest special forces missions of our time

presenting the true story of british army specialist chris ryan who walked one hundred eighty miles through the desert in order to reach his own lines after the rest of his men were either captured or killed in a firefight during the first gulf war an incredible story and so well told bear grylls honesty integrity and real experience that puts you in the thick of the action billy billingham there were three patrols that fateful january 1991 morning bravo one zero bravo two zero and bravo three zero it was the opening hours of the gulf war and the sas were flown deep behind enemy lines to hunt down saddam s scud missiles the use of which threatened a third world war the men of bravo one zero stepped off the chopper took one look at the flat desert devoid of any cover and decided no way were they deploying into all of that but andy mc nab s famed bravo two zero patrol did deploy with fatal results all bar one being captured or killed and then there was bravo three zero these men were different thought differently acted differently treating as gospel the sas s saying any fool can be uncomfortable they deployed with vehicles and while there was nowhere to hide they could make a dash for the border if desperate even as warnings came in that mc nab s patrol was on the run bravo three zero remained undetected the furthest coalition forces behind iraqi lines slipping through enemy positions a string of targets were taken out but with the desert turning bitter and snow starting to fall they were forced to fight a running battle against the elements as much as the enemy

though overshadowed by the fate of bravo two zero the achievements of this highly decorated patrol are the stuff of elite forces legend now for the first time sas veteran des powell reveals their story in gritty blow by blow detail written with acclaimed military author damien lewis this is a tale of edge of the seat daring deep inside enemy lands brutal savage unrelenting prepare to be blown away in a tale that proves utterly the sas motto who dares wins drawing upon unpublished accounts from sas soldiers along with previously classified information this vivid book reveals what sas operations were like behind iraqi lines read about the special relationship between sas soldiers and the royal air force helicopter crews the heartrending story of the patrol code named bravo two zero breathtaking tales of combat and more a definitive guide that covers every aspect of sas operations in the gulf war when the beautiful 20 year old daughter of a moldovan businessman goes missing from her university british intelligence will do anything in its power to track her down only one man is skilled and ruthless enough for the job but for the first time in his life nick stone doesn t want to play ball fact on 5 september 2007 israeli jets bombed a suspected nuclear installation in northeastern syria syrian radar supposedly state of the art had failed to warn of the incoming assault fact unknown to anyone but the israelis and the radar s manufacturers the commercial off the shelf microprocessors within it contained a remotely accessible kill switch but what is the raid s mysterious connection with the missing student what is the secret to britain s security to which she unwittingly holds the key and when ex sas deniable operator nick stone is tasked to find and abduct her why is he not on receive the 1991 gulf war will forever be associated with iraqi scud missiles the efforts of the world renowned british special air service sas unit to hunt them down destroy them in fact the sas s role in the conflict was much broader than scud hunting but until now the regiment s campaign during the conflict has been shrouded in secrecy drawing upon unpublished accounts from sas soldiers who actually fought in the war as well as information that was previous classified this book also examines the weapons equipment used by this forward thinking innovative division color b w photos the courageous heroic real life personal account of chris ryan s most famous mission the one that got away is reworked for a new generation the bravo two zero mission is one of the most famous stories of courage and survival of the eight sas
