impetus behind writing this book was to encourage people to embrace the practice of praying in community to invoke heaven's power into the affairs of god's people on earth. I therefore challenge women, men, youth groups, and churches to read this book together and pray in unison. Don't let the obstacles of distance or distraction, fear, or uncertainty dissuade you from the power of prayer. Be courageous and just do it. Many books offer readers tips on enhancing their prayer life but leave them adrift when it comes to actually praying. In this 28-day study, the founder of Precept Ministries provides intensely practical insights to help readers know how to pray, what to pray, and what to expect when they pray. Prayer remains the only one thing the devil cannot do all because he has no one to pray to. This book offers life-changing prophetic and deliverance prayers for each day of the year. Jesus told us to pray without ceasing. The prayers in this book are guaranteed to make your life better, change your story, and give you a bounce back from the valley of defeat. Your yokes are bound to be destroyed and bondages broken. The words of wisdom in this book will keep your life up and shining. It's time to take over the days of your life by the power of prayer. Positive confessions and wisdom. Jesus Christ is Lord. A written collection of prayers seeking wisdom and vision to be faithful in the work of serving and living an awake, set-apart life. It is a written and photographic journey based on the prayer Jesus taught his disciples with space each day for personal journaling. As a mom to six, the author wrote this short but practical book from the trenches with mothers in mind and the intention that it will be a source of strength and tool for anyone who nurtures and leads in varied positions in life. Physical and spiritual mothers alike said to be an immediate and enduring book on the nightstand, returned to for strength and courage. Often this book is a real, honest, and vulnerable companion to the immense and valuable work of motherhood. In the quiet and not-so-quiet deep places in us, call out to the deep of God. We often call it anxiety or fear, but it is a miracle, too. A miracle of labor and birth of spirit and truth. He invites us into this work with him, like a woman in labor whose pain is not pointless. Our pain is an invitation that beckons us to experience the very presence of God. We were created for this communion. The difference between the Kindle version and printed book is the space after each day's prayer for personal journaling in the printed book, so you can make it your own. It's time to relax. Do you ever sit down and struggle to find the right words you want to spend time with God, but you don't know where to begin? 365 Days of Prayer for Women is a beautiful book of topically arranged guided prayers and complementary scriptures that will enhance your prayer life and offer you peace, joy, and strength every day. God hears your voice when you direct it to him. He will step into every struggle and be your very present help in trouble. He will give you the words to say, even when you find yourself lacking. Patterned after the annual feasts of the tabernacle, the annual 70 days of fasting and prayer program is an annual spiritual sacrifice that cannot but yield power and breakthroughs given the covenant that backs it up. We give all the glory to the Lord for what he has been doing with our annual seventy days prayer and fasting programme. The Lord has used the programme to ignite the fire of revival in thousands of lives, put stubborn pursuers to flight, produce prayer eagles, open chapters of prosperity for many, confuse satanic dribblers, and put the enemies' gear in reverse. Prayer is of great value in turbulent and non-turbulent situations. Prayer is a necessity, not an option. However, this kind goes not out but by prayer and fasting. Matt 17:21. 30 Days Praying The Our Father 2023-09-07 from the outset this book was developed out of a sincere desire to improve the prayer culture of the church where i serve as pastor the goal for the congregation was to unite in prayer for thirty days praying for different circumstances each day we started off with prayers similar to the lord s model prayer that he gave to his disciples then we progressed beyond that to include interceding for institutions ranging from family to government and from prison to the pulpit we also prayed for change in the conditions in our schools and community as we continued in community prayer i soon realized that god was doing something powerful that extended far beyond the members of our congregation before the thirty days of prayer concluded we had hundreds of people joining us daily on a prayer call from across the country we then expanded the thirty days of prayer to an accompanying devotional so that the inspirational messages behind the prayers could be shared with others therefore the impetus behind writing this book was to encourage people to embrace the practice of praying in community to invoke heaven s power into the affairs of god s people on earth i therefore challenge women men youth groups and churches to read this book together and pray in unison don t let the obstacles of distance or distraction fear or uncertainty dissuade you from the power of prayer be courageous and just do it
