what do we do with the old testament how do we read words written in a world so different from ours stories so ruthless and so filled with grace in fire by night pastor melissa florer bixler invites readers to marvel at the old testament page after page in stories and poems and prophecies the hebrew scripture introduces us to a god who is unwieldy and uncontrollable common and extraordinary and who brings both life and death using stories from scripture and from her ministry florer bixler braids together the text with the sometimes ordinary sometimes radical grace of god the same passages that confuse and horrify and baffle us can if we are paying attention lure us closer toward god this god has traveled with people through cloud and fire by day and by night since the beginning of time the old testament is a perplexing book of profound grace hope and beauty it s a book of fire to read the old testament is to draw close to god s love which continues to burn away our expectations and set us ablaze this god has traveled with people through pillars of cloud and fire by day and by night since the day of the measurement
