wild river in this standalone adventure from the author of the internationally acclaimed farseer trilogy tintaglia the blue dragon has lost interest in the stunted dragons that emerged from the cocoons of maulkin s serpent tangle dragons are fiercely practical about survival of the fittest and now that she has produced her own batch of healthy hatching serpents tintaglia no longer provides for the weak creatures abandoned near trehaug the main city of the rain wilds the rain wild council is as ruthless as tintaglia deciding that the pack must be relocated they begin to recruit their least useful citizens to tend the beasts and escort them upriver to better hunting grounds because of their proximity to the acid waters and vapours of the rain wild river rain wilders are born with deformities that shorten their life expectancy and must wed young and reproduce early if their family lines are to survive thymara is long past marriageable age having been born with too many abnormalities she should have been exposed as an infant but her father chose to keep and raise her against his wife s wishes

city at first only a few dragons are willing to try the others are either too ashamed of their deformed wings and feeble muscles or too proud to risk failure and humiliation but the rewards waiting at kelsingra for those brave enough to take to the air are worth more than they could possibly imagine this was a city built for dragons and their keepers alise finbok is overwhelmed by the treasures she finds there and spends hours carefully uncovering wonder after wonder recording her findings for posterity she knows the knowledge will change everything the world thought about dragons and the elderlings yet rumours of the city s discovery have floated down the rain wild river and reached envious ears in bingtown and beyond adventurers pirates and fortune hunters are coming in droves to pillage what they can from the city will the dragons only just finding their strength and their keepers who are changing in their own mysterious ways be able to fend them off and what has happened to tintaglia the dragon mother who started it all has she really abandoned her offspring forever or

will she too return to seek the riches of kelsingra fantasy return to the world of the liveships traders and journey along the rain wild river in this standalone adventure from the author of the internationally acclaimed farseer trilogy guided by the great blue dragon tintaglia they came from the sea a tangle of serpents fighting their way up the rain wilds river the first to make the perilous journey to the cocooning grounds in generations many have died along the way with its acid waters and impenetrable forest it is a hard place for any to survive people are changed by the rain wilds subtly or otherwise one such is thymara born with black claws and other aberrations she should have been exposed at birth but her father saved her and her mother has never forgiven him like everyone else thymara is fascinated by the return of dragons it is as if they symbolise the return of hope to their war torn world return to the world of the liveship traders and journey along the rain wild river in the second installment of high adventure from the author of the internationally acclaimed farseer trilogy

from new york times bestselling master storyteller

robin hobb a k a meganlindholm comes a new collection of short stories nonbinary gender identities are those that fall outside the traditional binary of man and woman these include genderfluid androgynous genderqueer and a multitude of other identity terms some of which overlap although there have always been people who identify outside the gender binary only recently have they gained popular media attention despite some visibility however nonbinary gender identities are poorly understood by the general public it is critically important for gender minorities to find themselves in the media that they consume just as important is the need for those outside the minority community to understand and appreciate them nonbinary gender identities are represented in books and other media but these resources prove difficult

fantastic fiction is traditionally understood as western genre literature such as fantasy science fiction and horror expanding on this understanding these essays explore how the fantastic has been used in western societies since the middle ages as a tool for organizing and materializing abstractions in order to make sense of the present social order disciplines represented here include literature studies gender studies biology ethnology archeology history religion game studies cultural sociology and film studies individual essays cover topics such as the fantastic creatures of medieval chronicle mummy medicine in eighteenth century sweden how fears of disease filtered through the universal and

adaptable vampire the gender aspects of goddess worship in the secular west ecocentrism in fantasy fiction how videogames are dealing with the remediation of heritage and more this book explores the ways in which contemporary writers artists directors producers and fans use the opportunities offered by popular fantasy to exceed or challenge norms of gender and sexuality focusing on a range of media including television episodes and series films video games and multi player online role play games novels and short stories comics manga and graphic novels and board games engaging directly with an enormously successful popular genre which is often overlooked by literary and cultural criticism contributors pay close attention to the ways in which the producers of fantasy texts whether visual game cinematic graphic or literary texts are able to play with gender and sexuality to challenge and disrupt received notions and to allow and encourage their audiences to imagine ways of being outside of the constitutive constraints of socialized gender and sexual identity with rich case

studies from the us australia uk japan and europe all concentrating not on the critique of fantasy texts which duplicate or reinforce existing prejudices about gender and sexuality but on examining the exploration of or attempt to make possible non normative gendered and sexual identities this volume will appeal to scholars across the social sciences and humanities with interests in popular culture fantasy media studies and gender and sexualities help maximize your existing collection with this browsable volume containing titles that serve double duty with their appeal to both teens and adults and cover genres spanning crime novels romance horror science fiction and more an indispensable reference for libraries this book takes the guesswork out of crossover readers advisory by allowing you to easily guide teens who enjoy reading adult books and adults who enjoy reading teen stories chapters written by genre experts will help you better understand each genre s appeal to teens and adults as well as list dozens of titles that lend themselves to both groups of readers the

---

approach will help you maximize your collection while better serving your patrons the work is divided into two parts the first part covers adult books for teens while the second section delves into teen books for adults chapters include a definition of the genre appealing features unique to the category the factors that make the works suitable for crossover a listing of relevant titles and annotations and trends on the horizon genres covered include urban fantasy mainstream historical fiction graphic novels and nonfiction fantasy is a genre in motion gradually expanding its reach and historical sources to embrace a global identity historical dictionary of fantasy literature second edition is a snapshot of the genre in this moment identifying new themes and sources that are emerging to inspire enhance and invigorate the published works of fantasy writers librarians who work with readers will find this well loved guide to be a treasure trove of information with descriptive annotations of thousands of genre titles mapped by genre and subgenre this is the readers advisor s go to reference next to

author genre is the characteristic that readers use most to select reading material and the most trustworthy consideration for finding books readers will enjoy with its detailed classification and pithy descriptions of titles this book gives users valuable insights into what makes genre fiction appeal to readers it is an invaluable aid for helping readers find books that they will enjoy reading providing a handy roadmap to popular genre literature this guide helps librarians answer the perennial and often confounding question what can i read next herald and stavole carter briefly describe thousands of popular fiction titles classifying them into standard genres such as science fiction fantasy romance historical fiction and mystery within each genre titles are broken down into more specific subgenres and themes detailed author title and subject indexes provide further access as in previous editions the focus of the guide is on recent releases and perennial reader favorites in addition to covering new titles this edition focuses more narrowly on the core genres and includes basic readers advisory
