North to The Sun, South to The Moon 2012-10-16 isaac asimov and other speculative fiction writers have postulated that what seems to be mere technology to modern eyes could be viewed as magic to people of other cultures and times and perhaps worlds in this series of novellas classic and not so familiar faerie tales are placed in futuristic settings the costumes and props might change but the human spirit and the quest for true love will never change maia has grown up in the downbelow a borer born to a life of labor so the arrogant stocrats can live in luxury in the above she s made friends with a metalmen who taught her things the people in the world have forgotten but even those marvels pale in comparison to what she discovers when she enters the virtual world and learns the danger that threatens them all

Taksearhe 2017-02-19 bree has lived with the burden of knowing she s born to be a taksearhe the highest level of strength among all the talents with the ability to travel between worlds yet childhood trauma has blocked her gifts she knows she travels to other worlds in her dreams yet can t remember where she went or how when she wakes up the exiles from rehdonna are depending on her and she s willing to do whatever it takes to learn what s going on in her brain and dreams to awaken her gifts when she joins a dream and sleep study program at lyndvale university she s relieved when dr harland the man her mother is dating takes her under his wing to protect and guide her with the help of her roommates and then contacts in other worlds she learns to awaken and control her gift but not before she attracts the attention of evil forces that want to use her to open the doorway to earth bree s wishes come true but the cost if she takes just one wrong step could deprive her of friends her heritage and the soulmate who s reached out to her from another world

Traitors 2015-06-25 lord edrix faxinor regrets his brilliant diplomatic insight it lands him in the role of ambassador to sendorland the hereditary enemy of his country reshon still aching from the death of his betrothed he sets sail in hopes of bringing peace between the two warring nations arriena of traxslan is the lowest of the low a poor relation living on the charity of her domineering cruel cousin lord mordon traxslan she has dreams of being a scholar despite the sin of being born a woman with supposedly limited intelligence her cousin offers arriena choices in her own future both could cost her life because she resembles edrix s dead betrothed she s ordered to enchant and ensnare him to give sendorland power over him and force him to betray reshon arriena has grown up unable to trust anyone could she trust edrix with the truth and possibly her heart to save arriena can edrix risk becoming a traitor

The Gathering 2014-04-10 the storms are increasing the hounds are on the move gahlmorag approaches earth the time has come for the hunt to reunite and return home somehow there will always be unanswered questions but after years of searching and investigating all the members of the hunt have been accounted for dead or alive faithful or traitor energy builds up in neighborlee and something is about to happen whether for good or ill

That Synching Feeling 2021-04-27 rover pilot nureen keala rhianni day s best friend is on patrol on the other side of the galaxy from mallachrom she would rather be supporting rhianni s mission but the bureaucrats aren t cooperating responding to a distress call puts nureen in the wrong place at the wrong time she falls through a vortex into another universe that has never heard of the rovers or the war against the talroqi on a space station belonging to the trefarian empire tedrin creed has been waiting for the vortex to open again five years ago talroqi ships attacked his ship after sending his crew away to safety he defeated the talroqi before the vortex sucked down his ship he has been lying to the empire s people ever since waiting for the vortex to open so he can go home when a ship and a pilot claiming to be a rover fall through his chance has finally come problem this ship is like no rover ship he has ever seen and the pilot doesn t like him or believe he is who he says he is nureen has every reason to distrust this man who claims to be tedrin creed she knows all about him he was her grandfather s best friend and died a hero fifty years ago time is the problem in several ways the vortex and the way home will only be open for a short period of time can they learn to trust each other and escape the dangers of the empire before time runs out

Starblue 2021-07-06 starblue ash daughter of rhianni day and petroc ash is well aware of the burden of her heritage she has sworn never to join the rovers or leave mallachrom blue learns the hard way that swearing never to do something just challenges the universe to work against her her two closest friends are the twins neona and keegan creed children of nureen keala and tedrin creed the three have shared a psionic bond since childhood the twins are rover pilots commander general day of the rovers is determined to make blue a rover because she is the last of their family line if he has to use her friends against her he will fate intervenes when a team of rovers discovers a world inhabited by creatures uncannily similar to the shadows of mallachrom the creed twins duty takes them to this world to investigate neona is entranced by the creatures called shades when the shades make mental captives of neona and other rovers the bond between the twins is stretched to the point of breaking blue s bond with the twins might be the only hope they have of freeing the prisoners

Apprentice Solar 2016-10-24 a secret life is just as much a burden as a secret identity jori s still recovering from her injuries earned on her first adventure in unipuri when her college life turns upside down while losing her pain in the neck roommate is good news she also loses the good one two friends in her dormitory rescue her from the dilemma of taking new roommates and share their dorm room with her nothing in the world can compel jori to mess up her new dorm situation however she s now living in two worlds and as a result some complications just can t be avoided jori enjoys learning to be a solar charged with protecting the doorway between worlds the time differential between the midworld and earth is a big help in getting her homework done she can t always hide her dual lives when she puts her life on the line in the centuries long war raging in unipuri especially when she realizes her new roommates have secrets of their own even her dreams aren t private anymore enemies of the solars target jori and manage to follow her from unipuri to earth with their magic threatening her life and the ones she loves most she was warned and trained but at the end of the day she s still just a college freshman

Blue Fire 2021-02-04 the hive minded insectoid talroqi have been at war with humans for generations memories of mallachrom the colony world where rover captain rhianni day was born and the boy who was her best friend are a burden of guilt on her soul far from the battle lines mallachrom should have been safe yet after the rovers left the colony world the aliens

invaded rhianni is ordered to return to mallachrom and investigate what really happened in the talroqi invasion especially the strange stories about the children who survived carried away to safety by the sentient canines called shadows rhianni has only good memories of the shadows even more important petroc ash her childhood friend is a taken petroc leads the taken his responsibilities to the taken and their secrets are too great to risk even for rhianni their childhood bond has grown even stronger despite her long absence loving her will bind her to mallachrom forever and could kill her
