templars and the mission of the brotherhood are at risk andrew sinclair is one of the few survivors of the battle of hattin in 1187 as a member of the clandestine brotherhood he was taught arabic before being sent to the holy land on a mission that neither the order of templars nor the leaders of the pope's armies can know of sinclair's captivity following the battle led to his friendship with the infidel and threatened to divide his loyalty one of the great secrets of the brotherhood is that they are not christians unlike the templars sinclair's cousin and fellow member of the brotherhood sir andre st clair arrives with richard from cyprus the secret mission they must pursue will lead them into the desert and the lair of the fearsome assassins and meanwhile saladin's clever tactics in battle including the butchery of the magnificent destriers the massive horses that carry armoured frankish knights bring reversals to the christian cause from start of the crusade but it is richard
