*The Last Lion, Winston Spencer Churchill* 1989 the noted biographer historian continues his life of winston churchill focusing here on the years of churchill s political exile and his increasingly forceful opposition to hitler s germany

*The Last Lion, Winston Spencer Churchill: Alone, 1932-1940* 1983 the second volume of william manchester s masterful account of winston churchill s life alone is the second volume of william manchester s brilliant three volume biography of winston churchill in this volume we witness the war within before the colossal war to come during this period churchill was tested as few men are relentlessly pursued by creditors disowned by his own party vociferously dismissed by the press as a warmonger and twice nearly lost his seat in parliament yet despite his personal and political troubles churchill managed to assemble a vast underground intelligence network both within the british government and on the continent which provided him with more complete and accurate information on germany than the british government recognizing the horrifying truth churchill stood almost alone against nazi aggression and the sordid british and french policy of appeasement manchester s luminous portrait never loses sight of churchill the man a man with limitations especially his callousness toward others including his supporters and his recklessness which could border on the foolhardy but also a man whose vision was global and whose courage was boundless here is churchill as a light in the approaching darkness readying himself for the terrible stand to come

*The Last Lion: Volume 2* 2012-11-06 one of the most miraculous military rescue missions in modern history comes alive in this superb and panoramic washington post account of dunkirk no one can evince the drama of what actually happened at dunkirk in the year 1940 with as great narrative skill and superb delineation david mccullough as michael korda the historian and legendary book editor as dramatized in christopher nolan s film dunkirk may 1940 was a month like no other germany s war machine blazed into france the impregnable maginot line crumbled and winston churchill replaced neville chamberlain as prime minister as britain isolated and alone faced a triumphant nazi germany against this vast canvas best selling author michael korda relates his own personal story by turns charming powerful and poignant minneapolis star tribune that of a six year old boy from a glamorous movie family who would himself be evacuated weaving together eyewitness detail and a fine sense of drama boston globe to form an epic of remarkable originality alone movingly captures a moment of historic triumph when an unlikely flotilla of destroyers brought 300 000 men home to safety

*Alone: Britain, Churchill, and Dunkirk: Defeat into Victory* 2017-09-19 alone against hitler tells the lesser known but pivotal story of former austrian chancellor kurt von schuschnigg as one of the first leaders to defy adolf hitler during the buildup to wwii his story is of lasting importance though young and untested upon entering office von schuschnigg courageously rejected the rising tide of austrian nazism insisting on equal rights and respect for the jewish minority jack bray surveys the geopolitical conditions in austria during the march to war highlighting von schuschnigg s valiant four year struggle to prevent his nearly defenseless small nation from being taken over from within by unrelenting violent austrian nazis von schuschnigg s encounters with hitler and other central characters of 1930s germany himmler hess ribbentrop hindenburg goring and papen as well as their ally mussolini are recounted in scenes of high drama and vivid detail for his daring defiance and his refusal of offers to flee the nazi invasion von schuschnigg paid a dear price seven years in nazi captivity and abuse to the point of breakdown in one of hitler s final acts from the bunker where he would ultimately take his own life the trembling fuhrer ordered von schuschnigg to be killed just as von schuschnigg was set to be executed with the war at its eleventh hour he received a near miraculous deliverance although kurt von schuschnigg s name may be unfamiliar now he was for a brief moment at the center of world history even gracing the cover of time magazine in 1938 alone against hitler profiles an oft forgotten but crucially important figure in wwii history celebrating the legacy of a man who bravely fought against evil

**Alone against Hitler** 2020-05-19 a dramatic fascinating and revisionist narrative detailing how america s first family was changed utterly during world war ii first rate history grounded in scholarship and brought to life by a critically acclaimed author from breathless hagiographies to scandal mongering exposés no family has generated more bestselling books than the kennedys none of them however has focused on the watershed period of world war ii when the course of the family and its individual members changed utterly now in an engaging narrative grounded in impeccable scholarship edward j renehan jr provides a dramatic portrait of years marked by family tensions heartbreaks and heroics it was during this time that tragedy began to haunt the family joe jr s death the untimely widowhood of kathleen a k a kick rosemary s lobotomy but it was also the time in which john f kennedy rose above the strictures of the clan and became his own man in the late 1930s the kennedys settled in london where joseph kennedy sr was serving as ambassador a virulent anti semite and isolationist kennedy relentlessly and ruthlessly fought to keep america out of the war in europe his behavior as patriarch in many ways mirrored his public style though he was devoted to the family he was also manipulative and autocratic in re creating the intense and tension filled interactions among the family renehan offers riveting often revisionist views of joseph sr heir apparent joe jr kick the beautiful socialite and jack the complex charmer he demonstrates that joe jr although much like his father in opinion and character was driven to volunteer for a deadly mission in large part because of his fury at jack s seemingly easy successes renehan also delves into why kick a good catholic girl chose to abandon her religion for the chance to enter the fairytale world of the british aristocracy only to suffer a horrendous tragedy it is renehan s reassessment of jack however that is particularly striking in subtly breaking away from his domineering father over the issue of world war ii renehan argues jack began to forge the character that would eventually take him to the oval office going behind the familiar and accurate image of jfk as a reckless playboy renehan shows us a young man of great intelligence moral courage and truly astonishing physical bravery

**The Kennedys at War** 2002-05-14 a groundbreaking account of how britain became the base of operations for the exiled leaders of europe in their desperate struggle to reclaim their continent from hitler from the new york times bestselling author of citizens of london and those angry days when the nazi blitzkrieg rolled over continental europe in the early days of

world war ii the city of london became a refuge for the governments and armed forces of six occupied nations who escaped there to continue the fight so too did general charles de gaulle the self appointed representative of free france as the only european democracy still holding out against hitler britain became known to occupied countries as last hope island getting there one young emigré declared was like getting to heaven in this epic character driven narrative acclaimed historian lynne olson takes us back to those perilous days when the british and their european guests joined forces to combat the mightiest military force in history here we meet the courageous king haakon of norway whose distinctive h7 monogram became a symbol of his country s resistance to nazi rule and his fiery dutch counterpart queen wilhelmina whose antifascist radio broadcasts rallied the spirits of her defeated people here too is the earl of suffolk a swashbuckling british aristocrat whose rescue of two nuclear physicists from france helped make the manhattan project possible last hope island also recounts some of the europeans heretofore unsung exploits that helped tilt the balance against the axis the crucial efforts of polish pilots during the battle of britain the vital role played by french and polish code breakers in cracking the germans reputedly indecipherable enigma code and the flood of top secret intelligence about german operations gathered by spies throughout occupied europe that helped ensure the success of the 1944 allied invasion a fascinating companion to citizens of london olson s bestselling chronicle of the anglo american alliance last hope island recalls with vivid humanity that brief moment in time when the peoples of europe stood together in their effort to roll back the tide of conquest and restore order to a broken continent praise for last hope island in last hope island lynne olson argues an arresting new thesis that the people of occupied europe and the expatriate leaders did far more for their own liberation than historians and the public alike recognize the scale of the organization she describes is breathtaking the new york times book review last hope island is a book to be welcomed both for the past it recovers and also quite simply for being such a pleasant tome to read the washington post a pointed volume olson tells a great story and has a fine eye for character the boston globe

**Last Hope Island** 2017-04-25 new york times bestseller the most complete portrait ever drawn of the complex emotional connection between two of history s towering leaders franklin roosevelt and winston churchill were the greatest leaders of the greatest generation in franklin and winston jon meacham explores the fascinating relationship between the two men who piloted the free world to victory in world war ii it was a crucial friendship and a unique one a president and a prime minister spending enormous amounts of time together 113 days during the war and exchanging nearly two thousand messages amid cocktails cigarettes and cigars they met often secretly in places as far flung as washington hyde park casablanca and teheran talking to each other of war politics the burden of command their health their wives and their children born in the nineteenth century and molders of the twentieth and twenty first roosevelt and churchill had much in common sons of the elite students of history politicians of the first rank they savored power in their own time both men were underestimated dismissed as arrogant and faced skeptics and haters in their own nations yet both magnificently rose to the central challenges of the twentieth century theirs was a kind of love story with an emotional churchill courting an elusive roosevelt the british prime minister who rallied his nation in its darkest hour standing alone against adolf hitler was always somewhat insecure about his place in fdr s affections which was the way roosevelt wanted it a man of secrets fdr liked to keep people off balance including his wife eleanor his white house aides and winston churchill confronting tyranny and terror roosevelt and churchill built a victorious alliance amid cataclysmic events and occasionally conflicting interests franklin and winston is also the story of their marriages and their families two clans caught up in the most sweeping global conflict in history meacham s new sources including unpublished letters of fdr s great secret love lucy mercer rutherford the papers of pamela churchill harriman and interviews with the few surviving people who were in fdr and churchill s joint company shed fresh light on the characters of both men as he engagingly chronicles the hours in which they decided the course of the struggle hitler brought them together later in the war they drifted apart but even in the autumn of their alliance the pull of affection was always there charting the personal drama behind the discussions of strategy and statecraft meacham has written the definitive account of the most remarkable friendship of the modern age

**Franklin and Winston** 2003-10-14 winston churchill indispensable when liberty was in peril died in 1965 yet he is still accused of numerous sins from alcoholism and racism to misogyny and warmongering on the internet he simmers in a stew of imagined misdeeds using poison gas firebombing dresden causing the bengal famine and so on drawing on the author s fifty years of research and writing on churchill this book uncovers scores of myths surrounding him the popular and the obscure to reveal what he really said and did about many issues churchill had two personas one that thought deeply about the nature of humanity and one that helped solve seemingly intractable problems in his many decades in public life he made mistakes but his faults were well eclipsed by his virtues

*Winston Churchill, Myth and Reality* 2017-07-14 after the defeat of france in may 1940 only one nation stood between nazi germany and total domination of europe britain this is the gripping story of winston churchill s wartime government an emergency coalition of conservatives labour liberals and men of no party assembled to see britain through the war a chronicle not only of their successful efforts to work together but also of quarrels power plays unexpected alliances and intrigue it is an account of the most important political narrative of our time with a cast of characters featuring some of the most famous names in twentieth century british history including bevin attlee chamberlain beaverbrook morrison eden cripps and of course winston churchill this magisterial work provides a unique view of the inner machinations of britain s wartime cabinet dispelling that the war cabinet constituted an unbreakable band of brothers award winning historian jonathan schneer reveals that this ensemble of political titans were in fact a team of rivals that included four prime ministers past present and future both illuminating and engrossing ministers at war is the first work to draw upon original research to present a previously unseen perspective of british politics during and after world war ii schneer shows us that just as the war had kept them together the prospect of peace saw this supposedly unbreakable band fall apart thus providing a fascinating

insight into the birth of the welfare state

**Ministers at War** 2015-03-19 two australian scientists played a vital yet largely unknown role in the allied victory in the second world war almost eight decades later wizards of oz finally tells their story in this fast paced and compelling book brett mason reveals how childhood friends from adelaide physicist mark oliphant and medical researcher howard florey initiated the most significant scientific and industrial projects of the second world war manufacturing penicillin developing microwave radar and building the atomic bomb these innovations gave the allies the edge and ultimate victory over germany and japan more than just a story of scientific discovery wizards of oz is a remarkable tale of secret missions international intrigue and triumph against all odds mason tells how oliphant and florey were also instrumental in convincing a reluctant united states to develop and deploy the three breakthrough inventions in time to change the course of the war these two australians not only helped win the war but shaped the peace with their war time contributions continuing to influence international politics and the health and wealth of nations oliphant and florey emerge in wizards of oz as the two most consequential australians of the second world war perhaps of all time unputdownable general sir peter cosgrove a wonderful slice of australian history peter fitzsims great stories professor peter doherty

**Wizards of Oz** 2022-10-01 in 1939 faced with the german invasion of czechoslovakia and a growing italian threat in the balkans turkey and britain and later france signed an alliance in which turkey linked itself politically and militarily with britain and france in exchange for financial assistance for its rearmament program despite the agreement however when the war came to the mediterranean turkey did not become involved presenting a new interpretation of why the alliance failed brock millman explores anglo turkish relations leading up to the alliance of 1939 taking into account the broader economic military and strategic issues while previous accounts suggest that turkey entered into the alliance reluctantly millman contends that it not only wanted an alliance but sought as close a relationship as britain would concede in the prewar years he attributes the failure of the alliance mainly to britain s lack of support namely its inability to fit turkey into its strategy in the mediterranean its failure to produce a coherent operational plan that could encompass turkish military co operation and its unwillingness to provide turkey with timely and much needed financial material and industrial assistance divided into three parts the ill made alliance examines the roots and course of the anglo turkish rapprochement in the years 1934 38 the economic military and politic factors in 1938 39 that inhibited development of the emerging alliance to the point where it might have been fully functional and the collapse of the alliance in 1939 40

*Ill-Made Alliance* 1998-04-20 warrior and writer genius and crank rider in the british cavalry s last great charge and inventor of the tank winston churchill led britain to fight alone against nazi germany in the fateful year of 1940 and set the standard for leading a democracy at war like no other portrait of its famous subject forty ways to look at winston churchill is a dazzling display of facts more improbable than fiction and an investigation of the contradictions and complexities that haunt biography gretchen craft rubin gives readers in a single volume the kind of rounded view usually gained only by reading dozens of conventional biographies with penetrating insight and vivid anecdotes rubin makes churchill accessible and meaningful to twenty first century readers with forty contrasting views of the man he was an alcoholic he was not he was an anachronism he was a visionary he was a racist he was a humanitarian he was the most quotable man in the history of the english language he was a bore in crisp energetic language rubin creates a new form for presenting a great figure of history and brings to full realization the depiction of a man too fabulous for any novelist to construct too complicated for even the longest narrative to describe and too valuable ever to be forgotten

*Forty Ways to Look at Winston Churchill* 2004-05-11 in this fascinating and meticulously researched book bestselling historian arthur herman sheds new light on two of the most universally recognizable icons of the twentieth century and reveals how their forty year rivalry sealed the fate of india and the british empire they were born worlds apart winston churchill to britain s most glamorous aristocratic family mohandas gandhi to a pious middle class household in a provincial town in india yet arthur herman reveals how their lives and careers became intertwined as the twentieth century unfolded both men would go on to lead their nations through harrowing trials and two world wars and become locked in a fierce contest of wills that would decide the fate of countries continents and ultimately an empire gandhi churchill reveals how both men were more alike than different and yet became bitter enemies over the future of india a land of 250 million people with 147 languages and dialects and 15 distinct religions the jewel in the crown of britain s overseas empire for 200 years over the course of a long career churchill would do whatever was necessary to ensure that india remain british including a fateful redrawing of the entire map of the middle east and even risking his alliance with the united states during world war two mohandas gandhi by contrast would dedicate his life to india s liberation defy death and imprisonment and create an entirely new kind of political movement satyagraha or civil disobedience his campaigns of nonviolence in defiance of churchill and the british including his famous salt march would become the blueprint not only for the independence of india but for the civil rights movement in the u s and struggles for freedom across the world now master storyteller arthur herman cuts through the legends and myths about these two powerful charismatic figures and reveals their flaws as well as their strengths the result is a sweeping epic of empire and insurrection war and political intrigue with a fascinating supporting cast including general kitchener rabindranath tagore franklin roosevelt lord mountbatten and mohammed ali jinnah the founder of pakistan it is also a brilliant narrative parable of two men whose great successes were always haunted by personal failure and whose final moments of triumph were overshadowed by the loss of what they held most dear

**Gandhi & Churchill** 2008-04-29 lisbon had a pivotal role in the history of world war ii though not a gun was fired there the only european city in which both the allies and the axis power operated openly it was temporary home to much of europe s exiled royalty over one million refugees seeking passage to the u s and a host of spies secret police captains of

industry bankers prominent jews writers and artists escaped pows and black marketeers an operations officer writing in 1944 described the daily scene at lisbon s airport as being like the movie casablanca times twenty in this riveting narrative renowned historian neill lochery draws on his relationships with high level portuguese contacts access to records recently uncovered from portuguese secret police and banking archives and other unpublished documents to offer a revelatory portrait of the war s back stage and he tells the story of how portugal a relatively poor european country trying frantically to remain neutral amidst extraordinary pressures survived the war not only physically intact but significantly wealthier the country s emergence as a prosperous european union nation would be financed in part it turns out by a cache of nazi gold

**Lisbon** 2011-11-01 the encyclopedia of leadership brings together for the first time everything that is known and truly matters about leadership as part of the human experience developed by the award winning editorial team at berkshire publishing group the encyclopedia includes hundreds of articles written by 280 leading scholars and experts from 17 countries exploring leadership theories and leadership practice entries and sidebars show leadership in action in corporations and state houses schools churches small businesses and nonprofit organizations

**Encyclopedia of Leadership** 2004-02-29 it has been said that during times of war the muses fall silent however anyone who has read the major figures of mid twentieth century literature samuel beckett richard hillary norman mailer albert camus jean paul sartre and others can attest that it was through writing that people first tried to communicate and process the horrors that they saw during one of the darkest times in human history even as it broke out and raged on around them in bearing witness john carpenter explores how across the world those who experienced the war tried to make sense of it both during and in its immediate aftermath writers such as alexander solzhenitsyn and theodore plievier questioned the ruling parties of the time based on what they saw correspondents and writer soldiers like john hersey and james jones revealed the chaotic and bloody reality of the front lines to the public and civilians many of who remain anonymous lent voice to occupation and imprisonment so that those who didn t survive would not be forgotten the digestion of a cataclysmic event can take generations but in this fascinating book carpenter brings together all those who did their best to communicate what they saw in the moment so that it could never be lost

Wall, Watchtower, and Pencil Stub 2017-11-07 make history come alive this book helps librarians and teachers as well as readers themselves find books they will enjoy titles that will animate and explain the past entertain and expand their minds this invaluable resource offers reading lists of contemporary and classic non fiction history books and historical fiction covering all time periods throughout the world and including practically all manner of human endeavors every book included is hand selected as an entertaining and enlightening read organized by appeal characteristics this book will help readers zero in on the history books they will like best for instance titles that emphasize character tell a specific type of historical story convey a mood or are presented in a particular setting every book listed has been recommended based on the author s research and has proved to be a satisfying and worthwhile read

Read On...History 2013-10-21 what do winston churchill the eloquent eternally quotable wordsmith pudgy politician of fifty years wealthy aristocrat war time prime minister of england and donald trump the 6 4 brash twitter happy political neophyte billionaire entrepreneur have in common in his new book complete with never before told anecdotes bestselling author nick adams explores how both leaders with seemingly nothing in common turned their day s prevailing politics on its head in doing so they both endured shockingly similar battles instigated by the political establishment seeking their destruction trump and churchill s unorthodox approach to both domestic and international relations has rescued western civilization from the brink

*Trump and Churchill* 2020-05-19 a delightful and delicious tribute to churchill s heroic appetite for wining dining and politicking ben macintyre author of operation mincemeat a friend once said of churchill he is a man of simple tastes he is quite easily satisfied with the best of everything but dinners for churchill were about more than good food excellent champagnes and havana cigars everything included the opportunity to use the dinner table both as a stage on which to display his brilliant conversational talents and an intimate setting in which to glean gossip and diplomatic insights and to argue for the many policies he espoused over a long life in this riveting informative and entertaining book cita stelzer draws on previously untapped archival material diaries of guests and a wide variety of other sources to tell of some of the key dinners at which churchill presided before during and after world war ii including the important conferences at which he used his considerable skills to attempt to persuade his allies franklin roosevelt and joseph stalin to fight the war according to his strategic vision with fascinating new insights into the food he ate the champagnes he loved as well as original menus seating plans and unpublished photographs dinner with churchill is a sumptuous treat the next best thing to being there yourself

**Dinner with Churchill** 2011-10-06 this book examines developmental theory in light of heroic narrative and argues that such theory should be adjusted to accommodate the experience of those who are in many ways our principal role models examining figures such as jane austen t e lawrence winston churchill and george s patton jr

*The Wounds that Heal* 2010-09-23 the transformation from traditional war between nation states to conflict between nation states and nonstate actors requires decision makers policy analysts military commanders intelligence officials and legislators to answer the question is there a strategy for an unwinnable conflict this question takes on particular urgency given the extraordinary number of conflict points that define the current state of international relations modern geopolitics and security strategies for unwinnable conflicts draws on the author s extensive experience in counterterrorism negotiation and the implementation of the oslo peace process with his more recent work in academia the book uses an interdisciplinary case study model to illustrate valuable lessons learned and best practices in strategic analysis and decision making that are based on international relations international law and negotiation

intervention the book defines sovereignty intervention geopolitics security and what they mean in a global landscape it examines historical examples of global crises and security concerns as well as contemporary geopolitical issues including the israeli palestinian conflict intervention in libya non intervention in syria the good friday agreement the conflict in the former yugoslavia and the arab spring we are entering a new era where disaffected individuals who are willing and able to act have more power and potential influence than ever before conflicts like those occurring in egypt syria afghanistan iraq israel and elsewhere are all complex organisms nuanced as never before add in increasing regional asymmetrical conflicts increasing global economic strain social media and the accelerating speed of communication ideological and regional state versus nonstate conflicts such as in the case of al qaeda and other such movements and traditional business as usual geopolitics is being somewhat turned on its head modern geopolitics and security addresses topics that aren't currently covered anywhere establishing a new paradigm to rethink modern geopolitics given new and emerging challenges to traditional schools of thought view an article by amos n guiora that recently appeared in the the new york times

**Modern Geopolitics and Security** 2013-12-20 the rise of islamic radicalism has led to heated discussions about how best to address the threat of religious terror disputes covering the right and wrong of war with iraq and the even bigger war on terrorism continue to rage across america but this is not the first argument of this nature america was faced with a similar moral dilemma on the eve of world war ii fascism was conquering europe and religious leaders across the nation vehemently debated how to confront nazi germany in the end of illusions religious leaders confront hitler's gathering storm joseph loconte brings together pieces from the most significant religious thinkers of the pre war period in these essays the writers eloquently and passionately present their arguments for going to war or maintaining the peace in doing so they explore issues vibrantly relevant today including the christian cause for war the problem of evil and america's role in the world these urgently written pieces connect the past with the present and resonate with renewed clarity and poignancy

**The End of Illusions** 2004-10-01 british imperialism helped shaped the modern world order this same imperialism created modern singapore controlling its colonial development and influencing its post colonial orientation winston churchill was british imperialism's most significant twentieth century statesman he never visited singapore but his story and that of the city state are deeply intertwined singapore became a symbol of british imperial power in asia to churchill while singaporeans came to see him as symbolizing that power the fall of singapore to japanese conquest in 1942 was a low point in churchill's war leadership one he forever labeled by calling it the worst disaster in british military history it was also a tragedy for singapore ushering in three years of harsh military occupation but the interplay between these three historical forces churchill empire and singapore extended well beyond this dramatic conjuncture the last lion and the lion city provides a critical examination of that longer interplay through an analysis of churchill's understanding of empire his perceptions of singapore and its imperial role his direction of affairs regarding singapore and the empire his influence on the subsequent relationship between britain and singapore

*Churchill and the Lion City* 2011-01-01 the krupp family were the premier german arms manufacturers from the middle of the 19th century until the end of world war ii producing artillery pieces and submarines that set the standard for effectiveness this book relates the history of this influential company

**The Arms of Krupp** 2017-10-31 first published in 2001 this is the first substantial reference work in english on the various forms that constitute life writing as this term suggests the encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured it includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms

Encyclopedia of Life Writing 2013-12-04 a washington post notable book in march 1941 after a year of devastating u boat attacks the british war cabinet turned to an intensely private bohemian physicist named patrick blackett to turn the tide of the naval campaign though he is little remembered today blackett did as much as anyone to defeat nazi germany by revolutionizing the allied anti submarine effort through the disciplined systematic implementation of simple mathematics and probability theory this is the story of how british and american civilian intellectuals helped change the nature of twentieth century warfare by convincing disbelieving military brass to trust the new field of operational research

*Blackett's War* 2013-02-19 the second volume explains how the league of nations mandates system fused two of the predominant and compelling global forces of the twentieth century imperialism and wilsonian internationalism after the first world war britain and france administered most of germany's former tropical african colonies as mandates under the supervision of the league as a sacred trust of civilization this system of international trusteeship changed british and french rule in africa in short mandates were not colonies mandates meant less militarism more commercial equality a greater emphasis on the interests of africans and an end to the extension of european national sovereignty over colonized peoples accountability to the league also required the british and french to reconsider traditional economic strategic and ideological assumptions about their empires in the process the sacred trust sowed the seeds of self doubt about the very purpose and future of european imperialism the mandates system continued to represent a genuine internationalisation and reformation of colonialism and had long term economic political and cultural consequences for africans and europeans within the mandated territories despite the depression repeated anglo french foreign policy failures growing humiliations for geneva and war in africa and europe the principles and practices of international trusteeship proved persistent mandates demonstrated the relevance of international law the importance of the league of nations and the impact of wilsonian principles on international relations and european imperialism

**A Sacred Trust** 2004-09-29 out of the shadows is a full account of post authoritarian democratic portugal 1974 to present following the carnation revolution which began on april 25th 1974 and based on documentary sources personal accounts and unpublished documents from the national archive in kew lisbon and portugal's best days are behind them is a common

theme put forward by writers who focus their attention on the golden era of portuguese discoveries the empire and the role of lisbon as a major atlantic power neill lochery s book demonstrates that portugal is not suffering from such inevitable decline in 1974 a dramatic overnight coup led to the fall of the estado novo dictatorship in portugal in lisbon the events became known as the carnation revolution as the colonies collapsed the united states helped airlift 13 000 refugees from angola back to portugal as us secretary of state henry kissinger maneuvered to advance the moderate side of the government in lisbon over the radicals and thus guarantee us interests as neill lochery argues one of the major misunderstandings of the post revolution era in portugal has been the concentration on domestic over international factors in helping to shape its story having emerged from its twentieth century financial crisis and bail out and thus out of the shadows he argues that portugal is a country of huge relevance to the present day and of great future significance to the european continent indeed the strengthening of bonds between portugal and its european neighbours can be seen to be more important than ever given the heightened tensions in european politics the refugee crisis and the prospect of a changing european union

*Out of the Shadows* 2017-02-23 stilwell and mountbatten in burma explores the relationship between american general joseph vinegar joe stilwell and british admiral lord louis mountbatten in the china burma india theater cbi and the south east asia command seac between october 1943 and october 1944 within the wider context of anglo american relations during world war ii using original material from both british and american archives jonathan templin ritter discusses the military political and diplomatic aspects of anglo american cooperation the personalities involved and where british and american policies both converged and diverged over southeast asia although much has been written about cbi stilwell and china and mountbatten no published comparison study has focused on the relationship between the two men during the twelve month period in which their careers overlapped this book bridges the gap in the literature between mountbatten s earlier naval career and his later role as the last viceroy of british india it also presents original archival material that explains why stilwell was so anti british including his 1935 memorandum titled the british and his original margin notes to mountbatten s farewell letter to him in 1944 finally it presents other original archival material that refutes previous books that have accused stilwell of needlessly sacrificing the lives of his men during the 1944 north burma campaign merely out of hatred for the british

**Stilwell and Mountbatten in Burma** 2017-04-15 the year 1945 was a chaotic one both for the world of course and for winston churchill communism was on the march and the people of bulgaria romania yugoslavia and poland all found themselves in the grip of the soviets the red army occupied a large german territory and the kremlin was manipulating post war food shortages labor disputes and social unrest in greece france and italy having spent his wilderness years in the late 1930s warning of the dangers of diplomatic and military weakness and the growing menace of nazism in 1946 churchill made a trip to fulton missouri to deliver a speech entitled the sinews of peace now known as the iron curtain speech which served to fundamentally define the dangers of soviet totalitarian communism this is the story of that pivotal speech and how it came to be given and a portrait of the irrepressible man who delivered it

Our Supreme Task 2012-03-06 in no job no prob business writer nicholas nigro shows readers how to convert unemployment lemons into refreshing lemonade offering advice that is at once motivational when unemployment comes calling start walking and don t look back practical 20 ways to make yourself leave the house at least once a day and fun 20 things you can do with your retired briefcase no job no prob is the most well rounded and optimistic unemployment guide available it also includes useful quizzes that will help you take stock of what you have decide what you want and figure o

**No Job? No Prob!** 2008 a biography of pamela churchill harriman based on over 800 interviews and archival research charting her life from marriage to churchill s son randolph through two further marriages to her eventual appointment as us ambassador to france

*Reflected Glory* 2013-11-05 getting through is the story of an ordinary undistinguished retired aeronautical engineer who recounts his experiences from late childhood through an idyllic adolescence a mediocre public school education a thwarted flying career a bitching time in the air force a second tier now defunct engineering college a marriage that went bad and a career of underlying discontent with a few failures and some successes included are his father s life recollections and the authors thoughts on philosophy religion nature and nurture warfare and the meaning of life ending with accumulations of life s journey things done places been best books read and the distance traveled on planet earth getting through replete with wit wisdom and ignorance tells us that no life is ever ordinary and that everyone s story is worth telling

Getting Through 2013-11 20 psychopathy in children and adolescents assessment and critical questions regarding conceptualization 21 psychopathy in women assessment manifestations and etiology 22 cultural and ethnic variations in psychopathy 23 deviance at its darkest serial murder and psychopathy 24 successful psychopathy part vi clinical and applied issues in psychopathy 25 psychopathy and aggression 26 psychopathy and substance use disorders 27 the role of psychopathy in sexual coercion against women an update and expansion 28 risk for criminal recidivism the role of psychopathy 29 treatment of adults and juveniles with psychopathy 30 legal and ethical issues in the assessment and treatment of psychopathy part vii conclusions and future directions 31 understanding psychopathy where we are where we can go author index subject index

*Handbook of Psychopathy, Second Edition* 2018-05-17 for nearly two and a half millennia alexander the great has loomed over history as a legend and an enigma wounded repeatedly but always triumphant in battle he conquered most of the known world only to die mysteriously at the age of thirty two in his day he was revered as a god in our day he has been reviled as a mass murderer a tyrant as brutal as stalin or hitler who was the man behind the mask of power why did alexander embark on an unprecedented program of global domination what

accounted for his astonishing success on the battlefield in this luminous new biography the esteemed classical scholar and historian guy maclean rogers sifts through thousands of years of history and myth to uncover the truth about this complex ambiguous genius ascending to the throne of macedonia after the assassination of his father king philip ii alexander discovered while barely out of his teens that he had an extraordinary talent and a boundless appetite for military conquest a virtuoso of violence he was gifted with an uncanny ability to visualize how a battle would unfold coupled with devastating decisiveness in the field granicus issos gaugamela hydaspes as the victories mounted alexander s passion for conquest expanded from cities to countries to continents when persia the greatest empire of his day fell before him he marched at once on india intending to add it to his holdings as rogers shows alexander s military prowess only heightened his exuberant sexuality though his taste for multiple partners both male and female was tolerated alexander s relatively enlightened treatment of women was nothing short of revolutionary he outlawed rape he placed intelligent women in positions of authority and he chose his wives from among the peoples he conquered indeed as rogers argues alexander s fascination with persian culture customs and sexual practices may have led to his downfall perhaps even to his death alexander emerges as a charismatic and surprisingly modern figure neither a messiah nor a genocidal butcher but one of the most imaginative and daring military tacticians of all time balanced and authoritative this brilliant portrait brings alexander to life as a man without diminishing the power of the legend

*Alexander* 2004-11-02 on one side of the argument is a collection of godless academics with doctorates from the finest universities in england france and the united states on the other is irrational atheist author vox day armed with nothing more than historical and statistical facts presenting a compelling argument but not for the side one might expect day strips away the pseudo scientific pretensions of new atheism with his intelligent application of logic history military science political economy and well documented research the arguments of richard dawkins sam harris christopher hitchens daniel dennett and michel onfray are all methodically exposed and discredited as day provides extensive evidence proving among other things that more than 93 percent of all the wars in human history had no relation to religion the spanish inquisition had no jurisdiction over professing jews muslims or atheists and executed fewer people on an annual basis than the state of texas atheists are 3 84 times more likely to be imprisoned than christians red state crime is primarily in blue counties sexually abused girls are 55 times more likely to commit suicide than girls raised catholic in the twentieth century atheistic regimes killed three times more people in peacetime than those killed in all the wars and individual crimes combined the irrational atheist provides the rational thinker with empirical proof that atheism s claims against religion are unfounded in logic fact and science

**The Irrational Atheist** 2008-02-01 the ultimate literary bucket list the washington post celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that s as compulsively readable entertaining surprising and enlightening as the 1 000 plus titles it recommends covering fiction poetry science and science fiction memoir travel writing biography children s books history and more 1 000 books to read before you die ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation you have to read this but it s not a proscriptive list of the great works rather it s a celebration of the glorious mosaic that is our literary heritage flip it open to any page and be transfixed by a fresh take on a very favorite book or come across a title you always meant to read and never got around to or like browsing in the best kind of bookshop stumble on a completely unknown author and work and feel that tingle of discovery there are classics of course and unexpected treasures too lists to help pick and choose like offbeat escapes or a long climb but what a view and its alphabetical arrangement by author assures that surprises await on almost every turn of the page with cormac mccarthy and the road next to robert mccloskey and make way for ducklings alice walker next to izaac walton there are nuts and bolts too best editions to read other books by the author if you like this you ll like that recommendations and an interesting endnote of adaptations where appropriate add it all up and in fact there are more than six thousand titles by nearly four thousand authors mentioned a life changing list for a lifetime of reading 948 pages later you still want more the washington post

*1,000 Books to Read Before You Die* 2018-10-02 next to their experiencing god classic spiritual leadership is one of henry and richard blackaby s most highly regarded and best selling books to date encouraging business and church leaders alike to follow god s biblical design for success in fact the barna group reports that pastors list it among today s most influential writings on the topic of how god develops guides and empowers spiritual leaders in this new trade paper edition of spiritual leadership the blackabys update their notes on the key points regarding a leader s challenges character qualities influence decision making techniques and more all the while focusing on how leaders discover and promote god s vision for their organization and move people on to his agenda there are also new chapters on leading change and leading teams

**Spiritual Leadership** 2011-05-01 long before his finest hour as britain s wartime leader winston churchill emerged on the world stage as a brazen foreign correspondent covering wars of empire in cuba india the sudan and south africa in those far flung corners of the world reporting from the front lines between 1895 and 1900 churchill mastered his celebrated command of language and formed strong opinions about war he thought little of his own personal safety so convinced was he of his destiny jumping at any chance to be where bullets flew and canons roared i have faith in my star that i am intended to do something in the world he wrote to his mother at the age of twenty three before heading into battle based on his private letters and war reportage winston churchill reporting intertwines young winston s daring exploits in combat adventures in distant corners of the globe and rise as a major literary talent experiences that shaped the world leader he was to become
