The Last Lion, Winston Spencer Churchill

1989

the noted biographer historian continues his life of winston churchill focusing here on the years of churchill s political exile and his increasingly forceful opposition to hitler s germany

The Last Lion, Winston Spencer Churchill: Alone, 1932-1940

1983

the second volume of william manchester s masterful account of winston churchill s life alone is the second volume of william manchester s brilliant three volume biography of winston churchill in this volume we witness the war within before the colossal war to come during this period churchill was tested as few men are relentlessly pursued by creditors disowned by his own party vociferously dismissed by the press as a warmonger and twice nearly lost his seat in parliament yet despite his personal and political troubles churchill managed to assemble a vast underground intelligence network both within the british government and on the continent which provided him with more complete and accurate information on germany than the british government recognizing the horrifying truth churchill stood almost alone against nazi aggression and the sordid british and

french policy of appeasement manchester s luminous portrait never loses sight of churchill the man a man with limitations especially his callousness toward others including his supporters and his recklessness which could border on the foolhardy but also a man whose vision was global and whose courage was boundless here is churchill as a light in the approaching darkness readying himself for the terrible stand to come

The Last Lion: Volume 2

2012-11-06

details the life of a man whose ambitions and serious flaws made him one of the world s most powerful leaders placing churchill s career against the backdrop of the second world war and the collapse of the british empire

The Last Lion: Alone, 1932-1940

1988-10-28

one of the most miraculous military rescue missions in modern history comes alive in this superb and panoramic washington post account of dunkirk no one can evince the drama of what actually happened at dunkirk in the year 1940 with as great narrative skill and superb delineation david mccullough as michael korda the historian and legendary book editor as dramatized in christopher nolan s film dunkirk may 1940 was a

month like no other germany s war machine blazed into france the impregnable maginot line crumbled and winston churchill replaced neville chamberlain as prime minister as britain isolated and alone faced a triumphant nazi germany against this vast canvas best selling author michael korda relates his own personal story by turns charming powerful and poignant minneapolis star tribune that of a six year old boy from a glamorous movie family who would himself be evacuated weaving together eyewitness detail and a fine sense of drama boston globe to form an epic of remarkable originality alone movingly captures a moment of historic triumph when an unlikely flotilla of destroyers brought 300 000 men home to safety

2017-09-19

alone against hitler tells the lesser known but pivotal story of former austrian chancellor kurt von schuschnigg as one of the first leaders to defy adolf hitler during the buildup to wwii his story is of lasting importance though young and untested upon entering office von schuschnigg courageously rejected the rising tide of austrian nazism insisting on equal rights and respect for the jewish minority jack bray surveys the geopolitical conditions in austria during the march to war highlighting von schuschnigg s

valiant four year struggle to prevent his nearly defenseless small nation from being taken over from within by unrelenting violent austrian nazis von schuschnigg s encounters with hitler and other central characters of 1930s germany himmler hess ribbentrop hindenburg goring and papen as well as their ally mussolini are recounted in scenes of high drama and vivid detail for his daring defiance and his refusal of offers to flee the nazi invasion von schuschnigg paid a dear price seven years in nazi captivity and abuse to the point of breakdown in one of hitler s final acts from the bunker where he would ultimately take his own life the trembling fuhrer ordered von schuschnigg to be killed just as von schuschnigg was set to be executed with the war at its eleventh hour he received a near miraculous deliverance although kurt von schuschnigg s name may be unfamiliar now he was for a brief moment at the center of world history even gracing the cover of time magazine in 1938 alone against hitler profiles an oft forgotten but crucially important figure in wwii history celebrating the legacy of a man who bravely fought against evil

Alone against Hitler

1988-10-28

the long awaited final volume of william manchester s legendary biography of winston churchill spanning the years of 1940 1965 the last lion picks up shortly after winston churchill became prime minister when his tiny island nation stood alone against the overwhelming might of nazi

germany the churchill conjured up by william manchester and paul reid is a man of indomitable courage lightning fast intellect and an irresistible will to action the last lion brilliantly recounts how churchill organized his nation s military response and defense compelled fdr into supporting america s beleaguered cousins and personified the never surrender ethos that helped the allies win the war while at the same time adapting himself and his country to the inevitable shift of world power from the british empire to the united states more than twenty years in the making the last lion presents a revelatory and unparalleled portrait of this brilliant flawed and dynamic leader this is popular history at its most stirring

Last Lion, The: Winston Spencer Churchill Alone 1932-1940 - Volume 2

2012-11-06

a dramatic fascinating and revisionist narrative detailing how america s first family was changed utterly during world war ii first rate history grounded in scholarship and brought to life by a critically acclaimed author from breathless hagiographies to scandal mongering exposés no family has generated more bestselling books than the kennedys none of them however has focused on the watershed period of world war ii when the course of the family and its individual members

changed utterly now in an engaging narrative grounded in impeccable scholarship Edward J. Renehan Jr. provides a dramatic portrait of years marked by family tensions heartbreaks and heroics it was during this time that tragedy began to haunt the family Joe Jr.'s death the untimely widowhood of Kathleen a.k.a. Kick Rosemary's lobotomy but it was also the time in which John F. Kennedy rose above the strictures of the clan and became his own man in the late 1930s the Kennedys settled in London where Joseph Kennedy Sr. was serving as ambassador a virulent anti-semitic and isolationist Kennedy relentlessly and ruthlessly fought to keep America out of the war in Europe his behavior as patriarch in many ways mirrored his public style though he was devoted to the family he was also manipulative and autocratic in re-creating the intense and tension-filled interactions among the family Renehan offers riveting often revisionist views of Joseph Sr. heir apparent Joe Jr. Kick the beautiful socialite and Jack the complex charmer he demonstrates that Joe Jr. although much like his father in opinion and character was driven to volunteer for a deadly mission in large part because of his fury at Jack's seemingly easy successes Renehan also delves into why Kick a good Catholic girl chose to abandon her religion for the chance to enter the fairytale world of the British aristocracy only to suffer a horrendous tragedy it is Renehan's reassessment of Jack however that is particularly striking in subtly breaking away from his domineering father over the issue of World War II Renehan argues Jack began to forge the character

that would eventually take him to the oval office going behind the familiar and accurate image of jfk as a reckless playboy renehan shows us a young man of great intelligence moral courage and truly astonishing physical bravery

The Last Lion

2002-05-14

the second volume explains how the league of nations mandates system fused two of the predominant and compelling global forces of the twentieth century imperialism and wilsonian internationalism after the first world war britain and france administered most of germany s former tropical african colonies as mandates under the supervision of the league as a sacred trust of civilization this system of international trusteeship changed british and french rule in africa in short mandates were not colonies mandates meant less militarism more commercial equality a greater emphasis on the interests of africans and an end to the extension of european national sovereignty over colonized peoples accountability to the league also required the british and french to reconsider traditional economic strategic and ideological assumptions about their empires in the process the sacred trust sowed the seeds of self doubt about the very purpose and future of european imperialism the mandates system continued to represent a genuine internationalisation and reformation of colonialism and had long term economic political

and cultural consequences for africans and europeans within the mandated territories despite the depression repeated anglo french foreign policy failures growing humiliations for geneva and war in africa and europe the principles and practices of international trusteeship proved persistent mandates demonstrated the relevance of international law the importance of the league of nations and the impact of wilsonian principles on international relations and european imperialism

The Kennedys at War

2004-09-29

british imperialism helped shaped the modern world order this same imperialism created modern singapore controlling its colonial development and influencing its post colonial orientation winston churchill was british imperialism s most significant twentieth century statesman he never visited singapore but his story and that of the city state are deeply intertwined singapore became a symbol of british imperial power in asia to churchill while singaporeans came to see him as symbolizing that power the fall of singapore to japanese conquest in 1942 was a low point in churchill s war leadership one he forever labeled by calling it the worst disaster in british military history it was also a tragedy for singapore ushering in three years of harsh military occupation but the interplay between these three historical forces churchill empire and singapore extended well beyond this dramatic

conjunction the last lion and the lion city provides a critical examination of that longer interplay through an analysis of churchill s understanding of empire his perceptions of singapore and its imperial role his direction of affairs regarding singapore and the empire his influence on the subsequent relationship between britain and singapore

The Effectiveness of Airpower in the 20th Century

2017-05-31

drawing upon his lifelong study of politics and journalism political historian lee edwards offers the first scholarly examination of a powerful new phenomenon in world politics the mass media edwards argues in his far ranging and innovative work that the media have become as important a factor in determining the course of international affairs and the future of nations as economic prosperity military strength natural resources and national will the author calls this vital new component of world politics mediapolitik he uses case studies from around the world to show how the mass media have influenced and even determined the outcome of major political acts such as the collapse of communism in eastern and central europe the tiananmen square massacre in china the ousting of chilean dictator augusto pinochet and the political resurrection of south africa s nelson mandela the author argues that these case studies show that the mass media can either enrich or enslave the human spirit depending upon their

moral foundation if the media follow a liberal democratic model as in the united states and western europe they contribute to a free and just society if they follow an authoritarian model as in south africa before mandela or a totalitarian model as in saddam hussein s iraq or fidel castro s cuba they perpetuate the regime in power and deny the fruits of freedom and democracy to the people edwards addresses the question of how responsibly the american media the most influential media in the world handle their enormous power using the results obtained from his survey of 100 leading journalists as well as close analysis of major news stories of the last decade the author confirms the rampant cynicism of the american media and its deleterious effect on american politics and government the solution he suggests is that american journalists must practice moral responsibility and strengthen the liberal democratic model of mediapolitik around the world about the author lee edwards is senior fellow at the heritage foundation and adjunct associate professor of politics at the catholic university of america he is senior editor of the world i magazine and author or editor of numerous books including the collapse of communism the conservative revolution the power of ideas the heritage foundation at 25 years and goldwater the man who made a revolution praise for the book mediapolitik is a broad gauged survey of what the mass media is and how it works around the world there is scarcely an issue or debate within media and media watching circles that mr edwards does not touch on and analyze with care and precision

reading mediapolitik is the equivalent of at least a semester's worth of j school and more fun
washington times mediapolitik is superb a much needed comprehensive study of a crucial topic it is full of insight in its analysis and wisdom in its conclusions peter w rodman former deputy assistant to the president for national security affairs a revealing study of the mass media's impact on world politics you may not agree with all of his conclusions but mediapolitik is well worth reading hal bruno former political director abc news edwards is a sterling advocate for more responsibility in journalism his cogent insights are always worthy of study and debate stephen hess the brookings institution author of the little book of campaign etiquette the author's case studies are valuable no one to my knowledge has presented such information and analysis in such a systematic fashion prof marvin olasky acton institute a very plausible and reliable overview of the impact of changes in news and entertainment media on the politics of our world the

2001

if you will lead enduring wisdom for 21st century leaders provides readers with guidance for any sort of leadership journey whether you are a seasoned executive or just starting your first leadership role this book will help you grow as a leader doug moran starts by posing four critical questions for every reader to consider 1 who am i

2 what do i want 3 how can i get others to make their own choice to follow me 4 how can i earn and retain the privilege to lead if you will lead helps each reader discover his or her own answers to these pivotal questions moran has taken rudyard kipling s classic poem if and created a leadership framework out of it that comprises sixteen eternal and essential leadership attributes he draws on noteworthy historical events to illustrate how great leaders like martin luther king abraham lincoln mother teresa and others applied these leadership attributes to achieve extraordinary results if you will lead uses the power of storytelling to teach its leadership lessons it combines bigger than life examples with everyday stories to help leaders apply its lessons to their own leadership challenges whatever they may be it s a practical guide that offers numerous resources and tools to help readers hone their skills and achieve their full potential

Mediapolitik

2011-06-01

states are more likely to engage in risky and destabilizing actions such as military buildups and preemptive strikes if they believe their adversaries pose a tangible threat yet despite the crucial importance of this issue we don t know enough about how states and their leaders draw inferences about their adversaries long term intentions knowing the adversary draws on a wealth of historical archival evidence to shed new light

on how world leaders and intelligence organizations actually make these assessments keren yarhi milo examines three cases britain s assessments of nazi germany s intentions in the 1930s america s assessments of the soviet union s intentions during the carter administration and the reagan administration s assessments of soviet intentions near the end of the cold war she advances a new theoretical framework called selective attention that emphasizes organizational dynamics personal diplomatic interactions and cognitive and affective factors yarhi milo finds that decision makers don t pay as much attention to those aspects of state behavior that major theories of international politics claim they do instead they tend to determine the intentions of adversaries on the basis of preexisting beliefs theories and personal impressions yarhi milo also shows how intelligence organizations rely on very different indicators than decision makers focusing more on changes in the military capabilities of adversaries knowing the adversary provides a clearer picture of the historical validity of existing theories and broadens our understanding of the important role that diplomacy plays in international security

If You Will Lead

2014

on one side of the argument is a collection of godless academics with doctorates from the finest universities in england france and the united

states on the other is irrational atheist author vox day armed with nothing more than historical and statistical facts presenting a compelling argument but not for the side one might expect day strips away the pseudo scientific pretensions of new atheism with his intelligent application of logic history military science political economy and well documented research the arguments of richard dawkins sam harris christopher hitchens daniel dennett and michel onfray are all methodically exposed and discredited as day provides extensive evidence proving among other things that more than 93 percent of all the wars in human history had no relation to religion the spanish inquisition had no jurisdiction over professing jews muslims or atheists and executed fewer people on an annual basis than the state of texas atheists are 3 84 times more likely to be imprisoned than christians red state crime is primarily in blue counties sexually abused girls are 55 times more likely to commit suicide than girls raised catholic in the twentieth century atheistic regimes killed three times more people in peacetime than those killed in all the wars and individual crimes combined the irrational atheist provides the rational thinker with empirical proof that atheism s claims against religion are unfounded in logic fact and science

Knowing the Adversary

2008-02-01

new york times bestseller the most complete

portrait ever drawn of the complex emotional connection between two of history's towering leaders franklin roosevelt and winston churchill were the greatest leaders of the greatest generation in franklin and winston jon meacham explores the fascinating relationship between the two men who piloted the free world to victory in world war ii it was a crucial friendship and a unique one a president and a prime minister spending enormous amounts of time together 113 days during the war and exchanging nearly two thousand messages amid cocktails cigarettes and cigars they met often secretly in places as far flung as washington hyde park casablanca and teheran talking to each other of war politics the burden of command their health their wives and their children born in the nineteenth century and molders of the twentieth and twenty first roosevelt and churchill had much in common sons of the elite students of history politicians of the first rank they savored power in their own time both men were underestimated dismissed as arrogant and faced skeptics and haters in their own nations yet both magnificently rose to the central challenges of the twentieth century theirs was a kind of love story with an emotional churchill courting an elusive roosevelt the british prime minister who rallied his nation in its darkest hour standing alone against adolf hitler was always somewhat insecure about his place in fdr's affections which was the way roosevelt wanted it a man of secrets fdr liked to keep people off balance including his wife eleanor his white house aides and winston churchill confronting tyranny

and terror roosevelt and churchill built a victorious alliance amid cataclysmic events and occasionally conflicting interests franklin and winston is also the story of their marriages and their families two clans caught up in the most sweeping global conflict in history meacham s new sources including unpublished letters of fdr s great secret love lucy mercer rutherford the papers of pamela churchill harriman and interviews with the few surviving people who were in fdr and churchill s joint company shed fresh light on the characters of both men as he engagingly chronicles the hours in which they decided the course of the struggle hitler brought them together later in the war they drifted apart but even in the autumn of their alliance the pull of affection was always there charting the personal drama behind the discussions of strategy and statecraft meacham has written the definitive account of the most remarkable friendship of the modern age

The Irrational Atheist

1989

in a new interpretation of the history of the balkans during the second world war alfred j rieber explores the tangled political rivalries cultural clashes and armed conflicts among the great powers and the indigenous people competing for influence and domination the study takes an original approach to the region based on the geography social conditions and imperial rivalries that spans several centuries culminating in three

wars during the first half of the twentieth century against this background rieber focuses on leadership personified by mussolini hitler stalin churchill and tito as the key to explaining events for each one the balkans represented a strategic prize vital for the fulfilment of their ambitious war aims for the local forces the destabilization of the war offered the opportunity to reorder societies expel ethnic minorities and expand national borders storms over the balkans during the second world war illustrates how the leaders of the external powers were forced to improvise their tactics and compromise their ideologies under the pressure of war and the competing claims of their allies and clients neither the axis nor the allied camps were uniform blocs and deep divisions ran through the ranks of the resistance and those collaborating with the occupying powers these tensions contributed to the failure of all the participants in the struggle to achieve their aims the complexities of the wartime experiences help to explain the persistence of memories and unfulfilled aspirations that continue to haunt the region the study is based on extensive research in new sources in seven languages

choice outstanding academic title 2016 this book examines six summits spanning the beginning and the end of the cold war using declassified

documents from u s british and other archives
chris tudda shows how the cold war developed from
an ideological struggle between capitalism and
communism into a truly global struggle from
potdam in 1945 to malta in 1989 the nuclear
superpowers met to determine how to end world war
ii manage the arms race and ultimately end the
cold war meanwhile the newly independent nations
of the third world including the people s republic
of china became active and respected members of
the international community determined to manage
their own fates independent of the superpowers the
six summits potdam 1945 bandung 1955 glassboro
1967 beijing 1972 vienna 1972 and malta 1989 are
here examined together in a single volume for the
first time an introductory essay provides a
historiographical analysis of cold war summitry
while the conclusion ties the summits together and
demonstrates how the history of the cold war can
be understood not only by examining the meetings
between the superpowers but also by analyzing how
the developing nations became agents of change and
thus affected international relations

Storms Over the Balkans During the Second World War

2015-10-29

as one of the most admired political leaders of the twentieth century winston churchill holds iconic status in popular memory but in this incisive new biography acclaimed military historian richard holmes offers a remarkable reappraisal of churchill by examining the influences that shaped his character drawing upon never before seen materials such as letters between the young churchill and his parents holmes paints the most complete portrait to date of the man who stood up to hitler and led his people to victory against all odds detailing the decisive events of churchill s life from his childhood to his experiences in the boer war through his rapid rise in politics holmes demonstrates the central

role churchill s character played in the key decisions of his public life with an already inflated sense of self churchill had several lucky escapes in combat in the boer war and in the trenches of wwi convincing him that he was saved for a reason and was destined for greatness in the footsteps of churchill uncovers a surprisingly different churchill both admirable and difficult through the lens of his character

Cold War Summits

2016

what is fascism is it an anomaly in the history of modern europe or its culmination in anti colonialism and the crises of interwar fascism michael ortiz makes the case that fascism should be understood in part as an imperial phenomenon he contends that the age of appeasement 1935 1939 was not a titanic clash between rival socio political systems fascism and democracy but rather an imperial contest between satisfied and unsatisfied empires historians have long debated the extent to which western imperialisms served as ideological and intellectual precursors to european fascisms to date this scholarship has largely employed an inside out methodology that examines the imperial discourses that pushed fascist regimes outward into africa asia and the americas while effective such approaches tend to ignore the ways in which these places and their inhabitants understood european fascisms addressing this imbalance anti colonialism adopts an outside in approach that

analyses fascist expansion from the perspective of indian anti colonialists such as jawaharlal nehru subhas bose and mohandas gandhi seen from india the crises of interwar fascism the second italo ethiopian war spanish civil war second sino japanese war munich agreement and the outbreak of the second world war were yet another eruption of imperial expansion analogous although not identical to the scramble for africa and the treaty of versailles whether fascist democratic or imperialist europe s great powers collectively negotiated the fate of smaller nations

Turning to the Heavens and the Earth

2009-02-23

writing especially for people who ve tuned out the environmental debate rob jackson persuasively argues that we re at a crucial turning point in environmental history where choices we make now will determine the quality of life into the unforeseeable future laying out the scientific facts in plain language and with flashes of humor he shows how the escalation of population growth and resource consumption in the twentieth century caused problems from ozone depletion to global warming habitat destruction and biodiversity loss at the same time however he highlights ongoing solutions to these problems and ways in which we

can create a sustainable future for subsequent generations and all life on earth his urgent message is not that we've already failed but that we can succeed

Famous Stutterers

cull part three forever gets schooled sonja gets revenge

The Earth Remains Forever

2011-05-03

the year 1945 was a chaotic one both for the world of course and for winston churchill communism was on the march and the people of bulgaria romania yugoslavia and poland all found themselves in the grip of the soviets the red army occupied a large german territory and the kremlin was manipulating post war food shortages labor disputes and social unrest in greece france and italy having spent his wilderness years in the late 1930s warning of the dangers of diplomatic and military weakness and the growing menace of nazism in 1946 churchill made a trip to fulton missouri to deliver a speech entitled the sinews of peace now known as the iron curtain speech which served to fundamentally define the dangers of soviet totalitarian communism this is the story of that pivotal speech and how it came to be given and a portrait of the irrepressible man who delivered it

Instruction and Assessment for Struggling Writers

2016-08-31

the author takes readers on a journey into a world where few have dared to visit a place of spiritual perception intentional living history shaping personal growth and total fulfillment awakened to destiny points out to readers that while they

might be derailed and delayed in their journeys
they won't be denied june
