Eldeburg's Management is an introductory text that focuses on presenting content in an easy-to-understand way that encourages students to think critically and draw connections between theory and practice. This new seventh edition has a strengthened focus on technology and features that have been updated to help students further consolidate their knowledge. This includes various forms of revision materials such as auto-graded knowledge check questions and self-skill assessment. There is also a broad variety of concise case studies, including new ones with a strategic focus, which enable instructors to have thought-provoking and engaging tutorials. An exciting addition to the interactive e-text are the new ANZ videos that feature a diverse group of management thought leaders who give insights and tales from the front. This will provide supplementary content for lectures or serve as pre-work for a flipped classroom.
