Ice Pop Recipe Book J. B. Publishing,2017-03-03 As a busy Mom I know first-hand how hard it can be to find traditional healthy treats for the entire family. I set out on a mission to make an ice pop recipe book, but not just any ice pop book. The thing I found over the years is that many of the ice pop recipes out there taste awful and are full of sugar. I wanted this book to be different.And so, I went on a mission to find the most nutritious, best tasting popsicle recipes that both myself and the kids could enjoy. I began trying and testing many different recipes, adding my own touch to the traditional ones. One year later and I have what I genuinely think are the best tasting, most health benefiting popsicle recipes available. It has been a fun year trying, testing and researching. I know in my heart that other busy moms out there will be able to make these simple, nutritious popsicle recipes with little fuss and the kids will absolutely love them!
