robert cohen s theatre 10th edition continues to provide an insider s guide to the world of theatre where students are given a front row seat this lively introduction to theatre offers equal measures of appreciation of theatrical arts history of performance and descriptions of the collaborative theatrical crafts coverage of design acting and directing as well as photo essays provide a behind the scenes look at professional theatre artists performing their craft the author illustrates live theatre through more than 300 photographs from five continents most of them showing recent stage productions bringing to life many exciting theatre companies and productions play excerpts and outlines represent a wide range of theatrical achievement highlighted plays in the 10th edition include prometheus bound oedipus tyrannos the york cycle of medieval plays romeo and juliet the bourgeois gentleman the rover a doll s house the three sisters and happy days successful costume design requires a solid foundation in general artistic principles and specific knowledge of how to apply those principles cunningham presents readers with just such a foundation and develops it to expose beginning costume designers to the myriad skills they need to develop in order to costume successful stage productions she begins at the most basic conceptual level reading plays from a costume designer s perspective she then follows through with the practical considerations that must be considered at every stage of the costuming process research development sketching and costume construction cunningham has built on the long standing success of the outstanding first edition with new figures and updates throughout the text including 24 pages in full color examples have been selected from a wide range of stage productions representing a variety of designers styles and approaches interviews with award winning designers from stage film and other media show the practical importance of the book s concepts every chapter incorporates material reflecting the ever increasing impact of technology especially computers on costuming a href waveland com extra material 38155 cunningham tmg 3e zip new to this edition is an ancillary download package available here giving students a selection of basic figure drawings to serve as the base layer for digital renderings ready made forms and checklists for assembling and organizing costumes for shows and a list of research and reference websites with easily clickable links a finding identity through directing is a practice led autoethnographical monograph that provides an in depth exploration into the field of theatre directing and an individual s endless creative pursuit for belonging the book specifically examines how a culturally displaced individual may find a sense of identity through their directing and addresses the internal struggles of belonging acceptance and self that are often experienced by those who have confronted cultural unhoming the first half of the story scrutinises dr yekanians own identity as an iranian born armenian australian and how she struggled with belonging growing up

in a world that for the most part was unaccepting of her differences the second half looks at how theatre directing aided her re discovery of self while evidence shows that within the past decade there has been a growing interest in the vocation of theatre directing embarking on a career within this field while exciting can often be a daunting and experimental vocation finding identity through directing questions this conundrum and specifically asks in a competitive artistic profession that is rapidly developing what attracts an individual to the authoritative role of the director and what are the underlying motivations of this attraction by uncovering that there is more to the role of the director than the mere finality of a production we can observe that the theatre is a promising setting for cultural exchanges in dialogue and for personal development theatre directing as the vehicle for these expansions and progressions of self can potentially address the internal struggles of identity often experienced by those who in some form have encountered cultural displacement this volume presents a compelling mélange of chapters focusing on the myriad ways in which performance and gender are inextricably bound to identity it shows how gender performance and identity play themselves out in various ways contexts and genres in order to illumine the very instability and fluidity of identity as a static category as such it is a must read for anyone interested in gender studies identity politics and literature in general introduction to production creating theatre onstage backstage offstage defines the collaborative art of making theatre and the various job positions that go into realizing a production beginning with an overview of the art and industry of theatre the book shows how theatre has evolved through history the book then breaks down the nuts and bolts of the industry by looking at each professional role within it from the topmost position of the producer down to the gopher or production assistant each of these positions are defined along with their respective duties rules and resources that figure in obtaining these jobs each chapter offers exercises links to videos and websites review quizzes and suggested readings to learn more about the creation and production of theatre the pursuit of excellence in theatre is well served by the latest edition of this eminently readable text by two directors with wide ranging experience in an engaging conversational manner the authors deftly combine a focus on artistic vision with a practical organized methodology that allows beginning and established directors to bring a creative script interpretation to life for an audience the oxford handbook of jewish studies reflects the current state of scholarship in the field as analyzed by an international team of experts in the different and varied areas represented within contemporary jewish studies unlike recent attempts to encapsulate the current state of jewish studies the oxford handbook is more than a mere compendium of agreed facts rather it is an exhaustive survey of current interests and directions in the field some of the most raucous evenings in the history of theater are chronicled in this lively discussion of occasions when theater makers changed the course of theatrical and sometimes world history covering a wide range of events from the inauspicious opening of oedipus rex in athens to the assassination of abraham lincoln in washington d c to the violence riddled performance of halla bol in new delhi this book offers detailed and studied observations of specific minutes hours and days on the stage for each staging covered

Finding Identity Through Directing 2020-05-10

finding identity through directing is a practice led autoethnographical monograph that provides an in depth exploration into the field of theatre directing and an individual s endless creative pursuit for belonging the book specifically examines how a culturally displaced individual may find a sense of identity through their directing

and addresses the internal struggles of belonging acceptance and self that are often experienced by those who have confronted cultural unhomeing the first half of the story scrutinises Dr Yekanians own identity as an Iranian born Armenian Australian and how she struggled with belonging growing up in a world that for the most part was unaccepting of her differences the second half looks at how theatre directing aided her re-discovery of self while evidence shows that within the past decade there has been a growing interest in the vocation of theatre directing embarking on a career within this field while exciting can often be a daunting and experimental vocation finding identity through directing questions this conundrum and specifically asks in a competitive artistic profession that is rapidly developing what attracts an individual to the authoritative role of the director and what are the underlying motivations of this attraction by uncovering that there is more to the role of the director than the mere finality of a production we can observe that the theatre is a promising setting for cultural exchanges in dialogue and for personal development theatre directing as the vehicle for these expansions and progressions of self can potentially address the internal struggles of identity often experienced by those who in some form have encountered cultural displacement
