check your wpm score with a free one minute test typing com

Dec 08 2022

this one minute typing test is perfect for kids or adults who want to check their typing speed quickly on the next screen the timer won't start until you start typing continue typing through the content until the timer ends

introduction to algebra math is fun

Nov 07 2022

it is really that simple the letter in this case an x just means we don't know this yet and is often called the unknown or the variable and when we solve it we write $x = 6$ why use a letter because it is easier to write x than drawing empty boxes and easier to say x than the empty box
