tapers traders and trolls you will hear from those who still live the grateful dead every day you will hear from those who would rather keep their grateful dead passions private for reasons both personal and professional you will hear stories about the early days of being a deadhead and what it was like to attend and perhaps record those early shows including cornell 77

Print 1986-05-31 always there offers a comprehensive survey of american artist julia scher s work the artist s installations and performances have always featured a complex relation to techno social control demonstrating our complicity in the proliferating technologies used to surveil both our physical and virtual identities as brian wallis writes in his introduction scher s work breaks linguistic codes of security analyzing the rhetorics of surveillance discourse to allow the savvy user to manipulate and reconstitute those bits this approach is akin to that of hackers who like scher invert the notion of usability turning the practical on its head on one level this radical reversibility undoubtedly stems from some fundamental technoskepticism but it also shows the artist s more complicated skepticism about the visual and geographical determinants of contemporary space and how they impact the practices of everyday life the texts discuss how in the aftermath of 9 11 issues of surveillance data harvesting and scoptophilia have acquired a new meaning according to author andrew ross scher is a wholly political artist with a keen eye and ear for the iconography and poetry of power especially when it crystallizes into the operational jargon of aggressive intelligence systems contributors bill horrigan andrew hultkrans giovanni intra avital ronell andrew ross

Billboard 1981-07-18 the first book on the legendary design firm pentagram

Billboard 1889 factory records has become the stuff of legend the histories of the label have been told from many perspectives from visual catalogues and memoirs to exhibitions yet no in depth history has ever been told from the perspectives of the women who were integral to factory s cultural significance the untold history of factory records is one of women s work at nearly every turn recording music playing live gigs running the label behind the scenes managing and promoting bands designing record sleeves making films and music videos pioneering sound technology djing and running one of the most chaotic clubs on the planet the hacienda told entirely in their voices and featuring contributions from gillian gilbert gina birch cath carroll penny henry and over fifty more interviewees i thought i heard you speak is an oral history that reveals the true cultural reach of the label and its staying power in the twenty first century
