this book is comprised of a compendium of summaries from all novels that i have read for almost twelve years obviously the summaries have been documented on my blog since 2016 and seemingly in my opinion it is better bundled in a book form since the statistic views show that the classic fictions are those among most read so i rose to comply with that demand the purpose for which i devote myself to compose 85 summaries is to provide quick reading for novel readers and students numerous genres are presented because i am quite conscious those will bequeath you an imaginative horizon as a work of art many of them transcend their expiatory aspects and still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers finally happy reading and i hope you will find this book useful
